Stress Kracks

The Official Voice of Gate City Corvette Club
of Southern New Hampshire

First Word

July 2007

Summer is now here and it was kicked off by the first Car show attended by members of the club. The first Mustang / Corvette challenge was held June 24th with at least 10 members showing their cars. The Corvettes beat out the Mustangs for the cup. And since Gate City had the most members participating we were awarded the trophy. This will be displayed at the July meeting for all to see. See list of members and where they placed in their class.

The club holds the annual club picnic at the home of Emile and Suzanne Tetu this month July 21st. The event is a catered event and paid for by the profits the club received thru Spring Fling. This is free to all members who participated in Spring Fling, but you need to fill out the form in last month's newsletter and send in a deposit to Dean Gagne. Your money will be returned to you the day of the picnic.

The next show that club members will be attending is in August which is Corvettes of Rhode Island. August 5th. Please let myself or Norm Wood know if you are planning to attend. This way we will set up a meeting place and know who we need to be looking for before we leave.

And of course the following Saturday August 11th is the Corvettes Conquer Cancer Fundraiser. If you have not purchased your tickets yet PLEASE do so at the July meeting and if you can not make the meeting call myself or Norm Wood to purchase. Time is running out and we need to come together and sell tickets and get supporters for the auctions etc. The event is in need of items for the live and silent auction if you have items to donate please let me know. The items do not have to be Corvette related since there are a number of people that attend that have nothing to do with Corvettes. So please let's make this year's event a success as we have in the past.

That's all I have for now. Remember if you have an article you would like to share with the club members you are always welcome to send it to Allie DeCampo to have it placed in the newsletter.

I hope to see everyone at the next meeting July 13th, 8:00 PM at Dobles.

So for now remember when driving the plastic cars to smile and enjoy.

Best Regards
Dan Feidler
President
