FIRST WORD

Well it's January 2008, where did 2007 go? Car shows, rallies, and CARLISLE have all come and gone. Now that all our plastic cars have been tucked away for a while, we spend our spare time (who has any of that) perusing through the endless stacks of catalogs that we receive on a weekly basis. Looking for that one special something that we just have to have. Some have put their cars away and will await the coming of spring to wake them from sleep. Some are busy working on projects that take longer than just a few hours time. Some are STILL CLEANING. And I understand we have a few brave souls that still DRIVE on a beautiful 60 degree day in January. That's the spirit!

The annual Holiday Party was a great time as it always is. But I guess I didn't see the E-mail -Ties Not Required. But that's Ok. I'd like to say that all the food was EXCELLENT. I tried everything, and I don't think I was the only one.

Our next endeavor will be Spring Fling. Dean is on top things. Flyer is done, and the ad for the calendar of events is set to go to press. As we look forward to the coming events of the year we need to remember to have FUN. We have a GREAT CLUB and we are always greeted with respect at all events we attend. We have all made new friends everywhere we have been. That's the reason, I think we joined, to make friends and have fun.

The 2008 Board would like to say thank you for the opportunity to lead you through a fun filled year.

President*

Our New Sponsor

Dennis Granger

With the November sale of Dobles Chevrolet, sponsor of Gate City Corvette Club for many years, the club suddenly found itself in need of new sponsorship and a place to hold its monthly meetings. Norm Wood and Dan Feidler met with MacMulkin Chevrolet's Joshua Moore, Internet Sales Manager, and Tommy Thompson Jr, in Corvette Sales, on Friday November 23. They were very enthusiastic about becoming the club's new sponsor. On December 6th, Norm and Dan then met with Jeff Thompson the General Manager of MacMulkin to discuss the club's needs and how we can work together for everyone's benefit.

From time to time folks ask why the club was meeting and based out of Manchester the "Queen City" rather than Nashua the "Gate City." Of course the club started in the Gate City in 1975; it is fitting for it to return with the enthusiastic sponsorship of MacMulkin Chevrolet. According to Jeff Thompson, about 4 years ago they decided to devote a major part of the dealership to specialize in Corvette. They are now in the top 15 dealerships in the country for Corvettes sales!

The first gathering was held at MacMulkin on Friday, December 14th. Club members were able to meet with Josh and Tommy. Art St.Denis, the Parts Manager, and Scott Fitzgerald, the Service Director, spoke about their respective departments and how they will meet the needs of our members. Members were provided a tour of the dealership's new facilities which include a multi-level show room, huge waiting area with large screen TV, a coffee shop and an extensive service department.

Many thanks from the Gate City Corvette Club to the staff and management of MacMulkin! We look forward to a long and prosperous relationship.
