FIRST WORD

June was a very busy month for Ingrid and I, having attended Vettes of Coastal Maine's Annual Bar Harbor event, Fiberglass Alley event put on by River Valley Vettes of Fredericton, New Brunswick, Canada, and at the end of June we will be at Watkins Glenn for 7 days including the GRAND-AM Rolex Sports Car Series which provides us with a special Corvette Corral, and track access for the Corvettes. Joe and Carol Michalik, and John and Carol Slavin attended the Bar Harbor event with us, and at Fiberglass Alley club attendees included Roger and Cindy Collins, Lisa Dole, Larry and Heather Shields, and Bill and Vera Balcom. All had a great time at each event, and the weather was fine.

The club's annual picnic will be held on July 14th at Emile and Sue Tetu's located at 44 Norris Street, Manchester, NH 03103, starting around 12 noon. If you are planning to attend, please send a check to Lisa Dole, or bring them to the next meeting, in the amount of \$15 per member. If the club elects to cover the costs then the checks will be returned to those who attend. In the past many members elected not to take back the checks but to add the monies to the club's charity efforts. I also want to state that this year, there will only be water and soda available. If you want other to have other refreshments, please bring your own.

I want to thank Norm and Dan for presenting Del and Nancy Liberty with our club's thank you plaque. They were able to present it as Del and Nancy were attending Back -To-The-Beach where Norm and Dan were offering Adams products.

Red Brick Clothing is our official source to purchase clothing with the Club Logo on it. Information is available on our web site for Red Brick – go to our site, look under Links, then select club apparel. ACTIVITIES CORNER

Norm Wood

We are approaching the end of June and the warm weather is finally here. The home projects are starting to pile up, so I need to start working on them allowing me some time to cruise with the car.

We had 6 club members cars caravan down to Paul Masse Chevrolets "Vettetacular Summer Event" on Saturday June 16th. Our group arrived about a 1 hour and 20 minutes before the starting time of 11:00 and the main parking area was full. We were directed to the rear parking area and Corvettes continued to arrive for the next 3 hours. There were so many cars that showed up that word was spreading to close the gate because there was no room left to park the cars. About that time some Corvettes started to leave opening up parking spaces so the gates stayed open. This event has mushroomed into one of the largest gathering of Corvettes in New England. There was plenty of food and drinks to go around and the grills were still smoking as our group left just before 2:00 PM.

Our next club event is the "Ice Cream Social" at the Veterans Home in Tilton, N.H. on Friday June 29th. We are meeting at the State Liquor Store on Rte -93 north about 1 mile after the toll booths in Hooksett. We will be leaving from the State Liquor Store at 4:30 PM in order to arrive at the Veteran's Home by 5:30 to help with the set up. John & Carol Slavin are coordinating this event and if you need more information contact them at 603-635-7892. Hope to see a large group of cars heading up there next Friday.

On Sunday July 8th is the 20th Annual Corvette Show hosted by Club Corvette of Connecticut at Moroso Performance Products in Guilford, CT. (exit 59 off I-95). Not sure who is going to this event, so if you are, post an email to club members and let them know you are going.

Remember our annual club picnic/outing is on July 14th at Emile & Sue Tetu's home. The event starts at 12:00 noon and goes to the evening. If you plan on going make your reservations by sending a \$15.00 per person check to Lisa Dole. If you attend the event you will receive your check back. The location of the outing is 44 Norris Street in Manchester. Corvette Parking is through the back entrance on Taylor Street (1 block west). All other cars can park in the driveway or on the street. This is B.Y.O.B. as the club will have sodas and water only this year. Members are asked to bring a small dessert for after the catered meal. This is a rain or shine event so mark it on your calendars.

Then on Sunday July 29th is “Corvettes by the Sea” hosted by Corvette Club of R.I. This will be a non judged show again this year. Dan & I will be attending this event which starts at 9:00 Am and goes to 3:00 PM.

Our next club meeting will be on Friday July 13th at 7:00 PM at MacMulkin Chevrolet. Hope to see you there.

Minutes of the June 8th Meeting

President Larry Goelz called the meeting to order at 7:04 pm with 35 members in attendance. After thanking MacMulkin Chevrolet for the use of their facilities, he wished a happy birthday to all members of the club celebrating their birthday in June.

Larry Goelz started the meeting by thanking Larry Shields for recent work on articles & with John Slavin on the Veteran's Ice Cream Social event. Thanks also went to Dan Feidler for his announcement at Spring Fling supporting Del. Larry G. & Norm Wood had a plaque made on behalf of Gate City Corvette Club to present to Del as a “Thank you” for all the hard work he's contributed to the Corvette community over the years.

Thanks to all members of the club as well for their attendance & hard work in support of Spring Fling, it helped make the event go very smoothly.

We had six cars attend the recent Bar Harbor event, and we have 5 cars heading up to New Brunswick, Canada for the Fiberglass Alley event in Fredricton.

Membership: Joe Michalik

The club has recently had three new members join our ranks, and a new prospective member is in attendance at tonight's meeting.

Joe also recently visited Red Brick and mentioned that there are many great options for shirts or other items with the club logo on them available. Please check the website (available as a link from our club homepage). If you want something that's not shown, it is possible... many additional items & colors are available.

Secretary: Larry Shields

Larry S. wanted to verify with the membership that everyone was comfortable going forward with making the sponsors who purchased trophies for Spring Fling also have “links” on our thank you page that will be on the website. It doesn't cost us anything, and it's a nice way to say thank you to the businesses. Everyone was in favor of the idea.

Ruth Wintle motions to accept the May meeting minutes as written, Michelle Roy seconds – all vote in favor.

Treasury: Lisa Dole

Lisa briefed the club on the state of the club account; still waiting for a few smaller reimbursements & for the trophy invoice. There were 119 paid registrations, 82 corral parking cars in attendance at Spring Fling. Remember to get your \$15 to Lisa for the club picnic being held on July 14th.

Dan Zelonis motions to accept the treasurer's report, seconded by Denise Prudhomme – all vote in favor.

Officer at Large: Bob Roy

- June 10th, Annual Corvette Day – Lars Anderson Museum in MA
- June 15th-17th – Fiberglass Alley
- June 16th – Paul Masse Vettacular
- July 8th – 20th annual corvette show in Connecticut
- July 21st – Field of Dreams
- July 21st – Berkshire Corvettes event

VP: Norm Wood

June 16th is the Paul Masse event in RI. Norm, Joe, and Dan are going to caravan down with any others interested in attending. They will be leaving at 7:30AM from the first rest area on 495, south of Rt. 3 merge.

July 8th is the Corvette Club of Connecticut event.

July 14th – The GCCC annual club picnic will be held at Emile & Sue Tetu's home. Start time is noon; menu is pretty much the same as last year. Price will be \$15 per person, make sure to get the money in advance to Lisa. If club votes to reimburse the costs based on the Spring Fling final numbers, those who attend would receive their money back (or can donate/ear mark it for spending with one of the club charities such as the Xmas adopt-a-family). Special parking for Corvettes only. Norm will also bring some extra hot dogs & burgers to the vent as well.

Several members plan to also attend the Field of Dreams event in RI, but it will be discussed further & organized at the next meeting in July.

Ruth Wintle asked if we wanted to discuss what organizations we would be donating to this year, with the money raised from Spring Fling. Larry Goelz announced that he planned to bring that up at the July meeting once all of the final numbers were available. Dean Gagne mentioned that the Bud people had already been in contact to request the information on which organizations were being supported.

After much discussion amongst the membership, Dan Feidler motioned that all of the money raised from the 50/50 would be donated to the Bedford American Cancer Society, seconded by Ruth Wintle, all voted in favor.

Motion by John Bosco to donate half of the event profits (minus the 50/50 already accounted for above) as follows: 25% to the Nashua Soup Kitchen (two payments – one now, one around the holidays) and 25% to the Adopt-A-Family at Christmas). Dean Gagne seconded. All voted in favor.

Actual dollar amounts will be discussed at the meeting in July when the numbers are finalized.

Veterans Affairs: John Slavin

The group will be leaving the State Liquor Store meeting place on 93 North, at 4:30PM on the 29th for attending our Ice Cream Social event. This is to allow for extra time for those who can help the veterans down to the event from their rooms. The meeting place is about a mile after the Hooksett tollbooth.

John Slavin has copies of a form for any who would like to make a donation to the home.

Spring Fling:P Dean Gagne

John Bosco asked about the Bud press release and where it is run. We have a copy of the press release, and it will be included in the July issue of Stress Kracks.

Ruth Wintle provided feedback that registration of the cars should happen up where the cars first come in. We discovered this year that we had one car that came in, but never came up to registration to pay the fee, yet sat in the group with a 'for sale' sign on the car. Mike Dupont raised concern that additional time to make change and such could cause a potential back-up at check-in. Carol Michalik felt that it could be done very quickly. Dan Feidler pointed out that this is how most other clubs run their check-in process already.

Joe Michalik pointed out that we had several non-Corvettes pull in to the event. He had about 6 cars arrive under the impression it might be an all-car show. He related additional confusion around it being a "Vet" car show vs. a "Vette" car show. We need to be explicit on our paperwork, website, and the signs we put up around the event.

We also received email from the Margate Hotel that is interested in hosting more car shows on their grounds this year. They can provide catering services & rooms for the guests and have hosted shows in the past. No interest was expressed by the membership in hosting another event for this year.

Gayle Zelonis won the 50/50 drawing for \$60.

The Club Membership drawing for June was Larry Shields, for \$10.

Next meeting will be held on July 13th at 7pm.

Michele Roy motioned to adjourn the meeting, seconded by Cindy Collins. All members voted in favor. Meeting ended at 8:03 pm.

That Poor Vette...

Larry Shields

From Corvette Blogger by Mitch Talley

<http://www.corvetteblogger.com/2012/05/09/accident-indiana-teen-crashes-moms-c4-corvette/>

An Indiana 16-year-old decided to take his Mom's pride & joy '96 Competition Yellow Vette out for a joy ride without her knowledge... and without a driver's license.

He apparently snuck out of the house to take the car for a ride, but when trying to pass a friend whose car he had been following, he swerved to miss an oncoming car & put it into a telephone pole.

He was treated for minor injuries (impressive when you look at the car damage), and charged with reckless driving and driving without a license.

Six club members headed out to Maine to attend the Vettes of Coastal Maine 35th Bar Harbor event. Four of us left on Thursday, and two arrived early afternoon on Friday. On the journey were Joe and Carol Michalik, John and Carol Slavin, and Larry and Ingrid Goelz.

The four leaving Thursday arrived late afternoon at the Wonderview Inn in Bar Harbor. After unpacking, we went to the Inn's lobby to get our goodie-bags and other items for the banquet. As it was late in the day we connected with Vettes of Coastal Maine and all decided to have dinner at McKays Public House in downtown Bar Harbor. After dinner we returned to the Inn and retired.

Friday morning the four of us went to the Two Cats for breakfast then we went back to the Inn where later in the morning we gathered and headed into Acadia National Park to lunch at the Jordan Pond House which is famous for their Popovers. After lunch we headed to the center of Bar Harbor to start our search for the picture items. As usual, Debbie Shepard (who organized the event) made this effort very difficult. After wandering for what seemed like hours we decided to have dinner at the Route 66 diner where several items of Ben Labree's are to be found among thousands of items of memorabilia. After dinner we joined others from the event at the Improv Theater. All enjoyed the evening.

On Saturday morning we had breakfast at the Looking Glass Restaurant which is part of the Wonderview Inn. The view of the harbor is quite enjoyable. After breakfast it was down to the ball field for the car display where door prizes were awarded and trophies, one each for the classes, and one best of show. Then the pre-ordered lunches were delivered to the ball field and everyone indulged. After lunch most went on a cruise of the island, and then returned to the Inn to prepare for the Banquet with a theme of "Black and White". The banquet offered a buffet dinner, music and dancing, and the awarding of trophies and other items.

Sunday morning we again had breakfast at the Looking Glass, packed the cars then headed out for home. A great weekend was had by all.

2012 Fiberglass Alley Trip

Larry Goelz

On a bright sunny Thursday, 9 Gate City Corvette Club members headed northeast to attend the River Valley Corvette Club's 2012 Fiberglass Alley show in Fredericton, New Brunswick, Canada. We departed at 9 AM from the I-95 rest area just past Kittery, ME. Lunch found us at a great truck stop (suggested by Roger) just before Bangor, Dysart's. The staff was friendly and the food good. After we finished lunch and made a pit stop, we headed north on I-95.

Just Arrived

After some additional pit stops we arrived at the border and were allowed to enter Canada – they did not know who we were! We continued on until we arrived at the Crown Plaza hotel.

After unpacking we all met at the on-site pub and had several refreshments then decided to have dinner there. Shortly thereafter, Kelly Kelly (chairman of the event) arrived to welcome us and to give us our goodie-bags and meet everyone. I had met her at Bar Harbor several weeks before and she is a dynamo. She reviewed

activities for the event then departed. After we finished dinner we all retired for the evening.

Friday morning we met and headed to Cora's for breakfast. As our hotel was downtown we walked to the restaurant. Cora's served an interesting variety of offerings where many included fruit arranged in interesting ways. Cindy ordered the chocolate crepe and when it arrived we all gasped – it was **huge** and she had to leave some of it behind.

I will never get through this!

Taking in the Sites - Legislature Building

We had the day to sightsee and the afternoon found us having a late lunch at the lighthouse close to the hotel which was an ice cream stand. Ice Cream does taste good for lunch.

That evening we went to the local Golf Club where we had a cookout for dinner and after there was a casino night. After all the auction items were gone we headed back to the hotel.

Saturday's events included a car show then in the evening was the banquet whose theme was PINK. During the day there were two games – one to identify about 20 sets of hands (which were picked from pictures sent in by the attendees), and the second was to find as many machine nuts (some plain, some painted pink) as one could during the car show and later at the banquet. There were door prizes awarded during the car show, then trophies for each class, one for best of show, and one trophy was the Mayor's choice. Bill Balcom won the Mayors choice – “way to go Bill”. Larry & Heather Shields also participated in a driving challenge held after the show – driving around a large circular course while holding a rope that was attached to a cone in the center (don't let the cone tip over as you go, and don't let the rope hit the ground).

Getting Ready for the Show

At the banquet everyone (almost) came with something Pink on. Our club had pink shirts with the GCCC logo and I think we were dashing! We had a great buffet, live music, etc. Most of us left around 9 PM and went back to the hotel for drinks on the deck overlooking the St. John River. It was relaxing. Larry and Heather stayed to see if any of us won a raffle prize (we did not win) then joined us on the river.

We can't believe we're all in PINK!
