MAY 2019

### *First Word*

We had a good crowd for our April meeting and an all-time high for dinner at Chen Yang Lee. Everyone had a good meal and a great time.

It's going to be all hands on deck next month for our Spring Fling event coming up in May. There's a lot to do, but with plenty of help it will be much easier to handle. I will be hosting the Judging Clinic the Sunday before the show and will have more information about the details for that day as we get closer. The club will supply hamburgers and hot dogs and the rest will be pot luck for apps and deserts to share.

We'll see you at the next meeting. I will have a sample of golf style shirt with the logo on it for everyone to see. Save the wave!

## *Message from the Veep...*

As I'm writing this, it's the end of April, one of my favorite times of the year because the weather is turning for the better. Snow is finally gone, the rains have been washing away the road salt, the temps are hitting the 60s and 70s... time for the Vette to come out and see its shadow! This weekend is my first autocross of the season, which is a heck of a way to wake the 427 up for the year ahead. Hopefully you're all finding excuses to get your Vettes out of the garage and out on the road between the rain storms.

Next week, we have 20 people signed up for our club dinner over at Portofinos, which should be quite a good time. May is going to be pretty busy for the club with our judging clinic and Spring Fling events happening. Plus, we've got several cars heading out to Glens Falls, NY for a Corvette Caravan Meet & Greet, prepping us all for the NCM 25<sup>th</sup> anniversary caravan coming later this year. Just like after the 20<sup>th</sup> anniversary caravan, Larry G. & I have been planning a return trip for getting back from the museum after the event is all over. It will take another week to return, and this time we'll be taking a northern route first. Planned stops include Indianapolis Motor Speedway, the National Air Force museum, the Rock & Roll Hall of Fame, doing laps at Watkins Glenn, and a stay in the NY Finger Lakes. If you think you might be interested, the details are about 80-90% locked in so far, and information is available at the website: <http://gccc.wikidot.com/>

I'm going to be researching a small cruise option, hopefully for some time in June. So keep your eyes out for more details as I start to figure out a possible route & destination for us (hint: it's going to likely end with food. It always does, doesn't it? ☺) If you've got any suggestions, please feel free to send them over!

## That Poor Vette...

Larry Shields

You've just picked up your new to you C5 Corvette, and you're still riding that high of non-belief of being a Vette owner. Only 45 minutes later, you stop at a light, still basking in that great feeling... only to have an 18-wheeler make a left-hand turn in front of you from the wrong lane. The back wheels of the cab rolled up and over the hood from the side, along with the front wheels of the trailer right behind. Thankfully the driver area was not impacted and he's okay. The trucker then kept on driving until someone in a Jeep who had seen the accident chased him down and told him he'd just run over a Vette and he needed to go back to the accident.

President Dennis Corrigan began the April 12, 2019 meeting by welcoming everyone and thanking MacMulkin for the use of their facility. He took a head count for dinner and the decision was made to go to Chen Lang Lee in Nashua.

**Membership Director:** Tony Centrella welcomed new member Alan Factor attending his third meeting. Alan has a 2019 Stingray roadster.

**Officer at Large:** Dave Hill reviewed upcoming events. (Please see his calendar included in this newsletter.)

Dennis reported on Norm's Detailing Clinic at Corvette Mike's. He said Norm, Joe, and Dan did a great job detailing. They also showed how to detail the interior.

**Treasurer:** Dean Gagne presented the treasurer's report. The report was accepted by the membership.

**Secretary:** Allie DeCampo posted minutes from the last meeting in the newsletter. The minutes were accepted by the membership. She thanked everyone for their contributions for the newsletter.

**Vice President/Activities Director:** Larry Shields has planned getting together for dinner at Portofino's in Merrimack, NH on Friday, April 26<sup>th</sup>. Please RSVP so he can make arrangements with the restaurant. He also intends to coordinate something for May. Larry also talked about the autocross at Devens scheduled for Sunday, April 21<sup>st</sup>. Driving takes place on the old air strip. He said speeds are low and he's in 2<sup>nd</sup> gear for most of the run.

**Spring Fling:** Dean delivered an update on Spring Fling and asked everyone to focus on getting trophy sponsors. The cost of trophy sponsorship will remain the same at \$65.00. He reviewed the various show classifications and said the judging form is simple to navigate. New members are paired with experienced members during the judging. Kids have fun choosing their favorite Corvette for the "kids choice" award. Gate City members do not enter their cars in the show. Vendors are still needed. The fee for vendors is \$65.00 if paid in advance and \$80.00 the day of the show. Coral parking is available for a \$10.00 donation. Fillers for the goody bags are starting to come in. Sponsors are welcome to provide business flyers and/or business cards to be placed in the bags. As always, we will have raffle items and 50/50 drawing. Claudia has offered to coordinate the raffle table. Appropriate items for the raffle table are gift certificates for local businesses, gift baskets, and Corvette related items. Help is needed with laying out the field the day prior to the show and with parking the cars the morning of the show. Coffee and donuts will be provided. Dean will order food for after the show. Last year, we enjoyed salads, pasta and pizza. Bring chairs so you can relax when you're not busy with other responsibilities. Contact Dean if you have any questions.

**Please note:** Dennis will host a judging clinic on Sunday, May 19<sup>th</sup> at 10:00 am. Lunch will be provided. If possible, please bring a side dish or dessert. Please let Dennis know what you plan to bring in advance so that he can coordinate. There will be a goody bag stuffing assembly line that day.

**Corvette Caravan:** Larry Goelz reported there are 5200 registered for the Museum. Larry will run the route one more time prior to the caravan to make sure everything is as planned. Larry Shields is working on coordinating an extended trip home. The final Meet & Greet will be in Glen Falls, NY in May.

Dennis and Dave H. have been gathering info on custom embroidered clothing vendors. They presented samples of golf-style shirts from two vendors. Dennis had shirts from Maverick in Nashua, NH, and Dave had a shirt from Embroidme in Bedford, NH. Pricing was comparable. Static cling decals are also available. Norm mentioned Red Brick. Colors were discussed but no decision made.

The 50/50 raffle was won by Moe Lussier. The winner of the member raffle was not present.

Dennis adjourned the meeting at 8:00 pm.

Once again it's inspection time for Vettes with antique plates. Inspection, oil change, checking fluids and in my case bad brake calipers, however, took it home after it passed. Had a lighthearted fun drive and a lightened wallet too.

This is the latest rendering of the C8 based on the camouflaged car seen on the streets of NYC.

Wouldn't this be a cool all Corvette show on the deck of an aircraft carrier?

# Norm's Detailing Clinic

by Tony Centrella

It was a perfect 66 degree day at Corvette Mike's for Norm's Detailing Clinic. There was a great turnout with loads of helpful detailing information.

All went well until my Z06 engine cut out at 75 mph on I-95 about half way home. I managed to coast from the passing lane to the breakdown lane where my car rolled to a stop at the entrance to the off ramp...not exactly a safe spot! One State Trooper kept cars away so I could get out of the car. It took two tow trucks, one to get me off the highway and then a AAA Premier tow to get me to MacMulkin.

# MEET OUR NEWEST MEMBER

## Alan Factor

Hello Gate City Corvette Club,

My name is Alan Factor and I'd like to introduce myself. My wife Connie and I have recently moved into Hudson after spending 24 years in Foxboro enjoying football. I have recently retired from my profession as a home builder and am not sure how I'll take to all the time on my hands. While I'm new to Southern New Hampshire I am not new to the car enthusiast hobby. I have been a member of the Eastern MA Corvette Club for 19 years and have many friends there as well as the Bay State Corvette Club. I'm sure we know many of the same people. I've participated in an active Corvette life including shows, autocross and long distance road races.

My first Corvette was a blue 68 4 speed 327/350 that after a closer inspection turned into 350/350. Oh well, I learned! We enjoyed it with all its quirks anyway. After a bit Connie & I decided to expand our interest in the hobby and brought several wonderful cars. Our personal favorite being a 70 Mustang Boss 429 in grabber blue. As the old show "Route 66" introduced my generation to our dream car I began to think that someday I'd have one. We have been fortunate to own many Corvettes including a 96 admiral blue/white top GS convertible.

I've had to slow down in recent years but the yearning for a Vette wouldn't go away. My new "best car ever" is a 15 shark grey Stingray Z51 A8 convertible. I purchased it in October with 4,800 miles. For me the narrow body is reminiscent of and a connection to the Corvette of my youth. I surely hope to spend many years meeting and enjoying my new friends in GCCC. I look forward to knowing you all.

Save the wave and miles of smiles, *Alan*

# THE SPIRIT OF RACING

by Tom Stewart

I recently joined a company based in Rochester New York. The company name is LiDestri Foods and I work in their Spirit division called Roc House Brands. This beautiful 2002 Corvette sits in the lobby of our offices. It is Paul Newman's restored race car. The owner of the company, Giovanni LiDestri, purchased this beauty at auction.

Here's the story...

<https://www.scca.com/articles/1996008-paul-newman-gt-1-corvette-headed-to-auction>

## Paul Newman GT-1 Corvette Headed To Auction

February 17, 2012

The late Paul Newman's last race car, a 2002 Chevrolet Corvette GT-1/Trans-Am machine, is being auctioned by RM Auctions on Saturday, March 10.

Newman, a four-time SCCA National Champion and Oscar winner, passed away in September, 2008. He raced this Corvette from 2003 to 2007 in GT-1. The car was originally built by Riley & Scott for Tom Gloy and the 2002 Trans-Am season. Butch Leitzinger drove it in 2002, scoring five poles, three wins, eight top-five finishes and nine top-10 finishes, running as yellow #88 with Tommy Bahama sponsorship. Newman and Brockman bought the Corvette in 2003 and immediately painted it red, white and blue.

## Paul Newman's Corvette Race Car Fetches \$275,000 in Auction

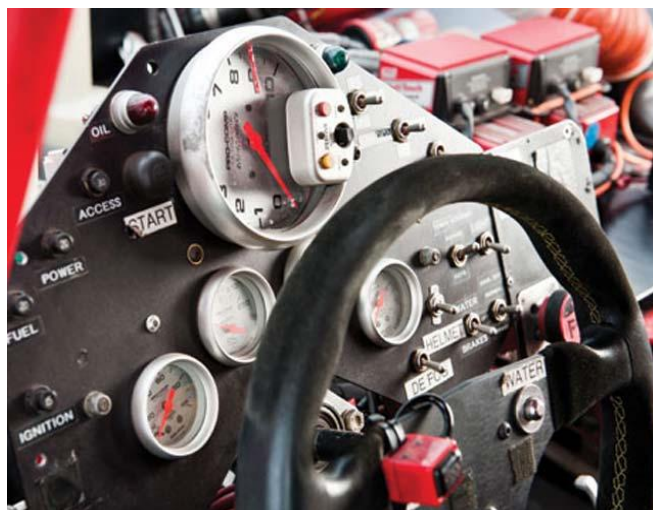

Mar 13, 2012 by Adam Lynton

At the RM Auctions in Amelia Island, Paul Newman's 700hp Corvette racer found a new home.

The late, great, Paul Newman will always be remembered with fondness by automotive enthusiasts across the globe. The Hollywood legend is known for racing the 24 Hours of Le Mans in Barbour's Porsche 935 and for being a close friend and rival to Steve McQueen. At age 70, he was also the oldest driver to be a part of a winning team in a major sanctioned race, and this week the rich heritage of motorsports he paved throughout his life has continued.

Newman's V8-powered 2002 Chevrolet Corvette that he won his last SCCA race in was sold in auction for \$275,000. The 700hp, 346-cubic inch Corvette was recently rebuilt, re-bodied, repainted and given the number 83 - Newman's age prior to the Amelia Island auction. It was originally built for Tom Gloy's 2002 Trans Am season by Riley & Scott. Newman's acting career saw him win an Academy Award in 1986 for best actor in 'The Color of Money'; however his greatest legacy is 'Newman's Own' food company that donates all post-tax profits and royalties to charity, which as of July 2001 had exceeded \$300 million.

Gate City Corvette Club is one of the hundreds of Corvette clubs throughout the United States and Canada. The purpose of GCCC is to make being a Corvette owner more fun. GCCC meets at 7:00 pm the second Friday of the month at MacMulkin Chevrolet, 3 Marmon Drive, Nashua, New Hampshire.

## **NHVH Sunshine Cart**

The Sunshine Cart provides a wide variety of personal care products and other items such as notebooks, pens and pencils, puzzle books and some basic clothing items. The Sunshine cart is particularly important to those residents who are not able to go out on shopping trips as it allows them a shopping experience at no cost. The following is a list of items that we carry on the sunshine cart as well as items that are needed on a regular basis. The needs change from week to week so we suggest calling before shopping. (See information below)

- ❖ Toothpaste
- ❖ Toothbrushes - regular and denture
- ❖ Denture cleaning tablets
- ❖ Denture adhesive such as Fixodent
- ❖ Stick deodorant for both men and women
- ❖ Hair combs and brushes
- ❖ Pre-shave (for electric razors, alcohol is ok for this as it is kept in locked cabinet)
- ❖ Emery boards
- ❖ Alcohol free mouthwash
- ❖ Kleenex tissues (plus lotion brand is nice)
- ❖ Baby body lotion
- ❖ Shampoo, Dandruff/dry scalp shampoo, baby shampoo
- ❖ Hair Conditioner
- ❖ Body Wash for both men and women
- ❖ Lip balm/Chap stick
- ❖ Individually packaged eyeglass cleaner wipes
- ❖ Large print crossword puzzle, word find or Sudoku books
- ❖ White hankies
- ❖ White Tee-shirts
- ❖ Men's underwear (tighty whities)
- ❖ Postage Stamps

A few helpful Guidelines when purchasing donations:

- ❖ Residents prefer standard size products that can be used for an extended period.  
**We do not stock travel size items on the Sunshine Cart.**
- ❖ Unsafe items such as; liquids containing alcohol, aerosol sprays, medical items, Q-Tips, powder (of any kind) or food products are not accepted.
- ❖ We have received a lot of 3-1 (shampoo, conditioner and body wash) which the residents don't like to use so we are currently asking to avoid purchasing it.
- ❖ Please contact Patty Copeland @ (603) 527-4449 or e-mail [patricia.copeland@nhvtulh.gov](mailto:patricia.copeland@nhvtulh.gov) for additional information and up to date needs.
