**David Osgood**

Hola Members,

The April GCCC monthly meeting was held via Zoom and through the magic of technology all the board members were present including your president. I was able to join in from Mexico! This meeting will go into the archives as the first to have participation from a foreign country.

Last month's meeting will hopefully also be our last Zoom meeting. We are planning to have an in-person meeting for the month of May. The plan is to have the meeting at a restaurant in Nashua. (Please see the May Meeting Flyer on page 5 for updated information.) Those who are able to attend can enjoy dinner together.

The first organized Dust Off cruise was postponed due to forecasted inclement weather (SNOW!!) It was probably a good reason to postpone considering we live in New England and winter is not officially over until MAY! I am confident that our cruising team of Norm Wood and Brent AuCoin will not let us down as long as the weather cooperates.

We are adding new members at a fairly brisk pace, many who have just purchased their first Corvette including the new C8. I am looking forward to meeting all of our new members in person as well as seeing all the familiar faces that have been missing for the last year.

You can be sure GCCC is being recognized as one of the more active clubs in the area. I have said this in the past and I will repeat it again, we have a fully engaged board of directors who have total respect for this club and our members. When enthusiasm and positive attitudes abound everyone wins.

That's it for me; I will let the rest of the team fill you in on all the other news.

Best,

*David Osgood*

President

Gate City Corvette Club is one of the hundreds of Corvette clubs throughout the United States and Canada. The purpose of GCCC is to make being a Corvette owner more fun. GCCC meets at 7:00 pm the second Friday of the month at MacMulkin Chevrolet, 3 Marmon Drive, Nashua, New Hampshire.

## Activities Corner

As I write this article I am starting to wonder if spring is really here. We have had several nice days of 60+ degree weather and then snow starts falling. Welcome to New England where the weather changes within the hour.

Because of our crazy weather, our 1st Covered Bridge Cruise has been rescheduled for the first weekend in May. Also Brent has scheduled a breakfast get-together at the Red Arrow Dinner in Nashua on May 8<sup>th</sup> at 9:00 am. Please let him know if you are interested in going so the restaurant can plan accordingly.

On Saturday May 22nd (rain date May 23rd) there is an "All Car Show" put on by the local Muscle Car Club at the Deerfield Fairgrounds in Deerfield, NH. As we get closer to the date we will send out an email to see who will be going so we can caravan and park together. Last year they were expecting about 300 cars and had 700+ cars attend!

We currently have a couple of weekends open at this time to use as rain dates just in case we need to reschedule an activity. If these days are not needed we will be free to plan something else. Please let me know if you have any ideas for cruises or destinations. Your input is always appreciated.

President David Osgood is in the process of planning a club meeting for May 13th in Nashua. Please watch for further information; this will be the first time that we've gotten together for an in-person club meeting in over a year!

On June 3 - 6 a small group of club members (4 - 5 cars) are heading to Bar Harbor, Maine for a "laid back weekend". For over 30 years VOCM (Vettes of Coastal Maine) club has hosted a large Corvette weekend in June every year, but this year it was canceled because of the virus. Their club sent out a message saying that although there are no "official events" people are welcome to come up and enjoy Bar Harbor on their own. Susan has sent out an email to members about the cruise to Bar Harbor we are taking at the beginning of June. If you would like further information please contact me.

A committee is also looking into doing an overnight trip to the North Country in late June. Plans are in preliminary stages but would include lunch at the Mount Washington Hotel. An email will be sent out in the near future to find out how many members would be interested in going.

We are very hopeful that as vaccines are administered and the virus slows down we will have many more opportunities to socialize and attend events together.

Stay safe and well.

*Norm Wood,*

Vice President

**Let's get together!**

**Gate City Corvette Club Meeting**

**Please RSVP by May 6<sup>th</sup>**

**David Osgood**

**[davidalden@aol.com](mailto:davidalden@aol.com)**

**(603) 553-2033**

**What's more fun than friends and food?**

**\*Replaces the May 14<sup>th</sup> meeting at MacMulkin Chevrolet**

**President:** David Osgood began the April 9, 2021 virtual meeting at 7:00 pm from his vacation spot in Mexico. (That's dedication!) He said the expectation is that we will hold our first in-person meeting in May. It's been over a year since we all gathered for a meeting. Please be watching for more information to come. David asked the board members to present their monthly updates.

**Membership Director:** Tom Stewart reported we now have 12 new members and he has been contacted by others interested in joining GCCC.

**Secretary:** Allie DeCampo gave the highlights of the April secretary's report that was included in the most recent newsletter. A motion was made and the secretary's report was accepted.

**Treasurer:** Dean Gagne said he is still receiving dues payments. He reviewed the updated treasurer's report. A motion was made and the treasurer's report was accepted.

**Officer at Large:** Brent AuCoin reported that all New England Corvette clubs are still being cautious with planning events for 2021. Also, there does not appear to be any new information available regarding Vettes to Vets in Bedford, MA.

**Update:** The "Dust Off" cruise planned for April 17<sup>th</sup> was postponed due to snow. Please watch your email for the rescheduled date.

May 22<sup>nd</sup> is the date of the car show in Deerfield, NH. The plan is to meet and caravan as a group so that we can drive in and park together. There will be more details to come as the date gets closer.

**Vice President/Activities Director:** Norm and Sue have recently taken trips to the Keene/Swanzey area in preparation for another cruise. They also visited the North Conway area. Coincidentally, Norm and Sue ran into Deb and Barry from Vettes of Coastal Maine having lunch in North Woodstock, NH. Deb and Barry are involved with the annual Bar Harbor Tour which has been postponed this year due to Covid. Although there are no planned events for Bar Harbor, the usual hotels are still honoring their special rates for those booked for the beginning of June. Sue Wood has sent out a detailed email and some members are still planning to make the trip. Please refer to Sue's email or contact Norm and Sue if you would like more information.

Norm was asked if he would be hosting a detailing clinic and he said he will most likely plan one in the near future.

Brent suggested a "cruise in" at Kimball Farm in Jaffrey, NH. Further discussions will take place.

Dean reviewed the club's snail mail. We received a thank you letter from the Veteran's Home in Tilton for our donation to purchase ice cream for the residents last December. Allie suggested we do the same in June and perhaps consider a "drive by" since it seems unlikely the ice cream social will be held due to the risk of Covid.

David adjourned the meeting at 8:00 pm.

*Allie DeCampo*

# **GCCC Covered Bridge Tour**

**Allie DeCampo**

On Saturday the first of May, Gate City Corvette Club members kicked off the official cruising season by taking a trip in search of New Hampshire's historic covered bridges. Despite early morning showers, a strong breeze helped dry the wet roads by the time we reached our meeting place at Market Basket in Bedford. We were excited to see that several of our newest members were able to participate.

Our Corvette caravan with a Chevy Traverse as the lead car meandered through the towns of Goffstown, Dunbarton, Hopkinton and Warner. We then circled back to Rt. 114 in Henniker where we enjoyed a nice lunch at Daniel's Restaurant overlooking the beautiful Contoocook River. Along the way, we stopped to admire the bridges and scenery and take a few photos. Paula Aucoin even hopped out to take a video of all our cars exiting the Rowell Covered Bridge. (Pictured above)

Many thanks to Norm and Sue Wood and Brent and Paula AuCoin for researching the route and arranging lunch. Special thanks to Sue Wood for driving the lead car. (Norm is recovering from a medical procedure and opted to heed his doctor's advice and take the passenger seat.) You would never guess this was Sue's first time leading a caravan. Hopefully Norm will heal quickly so they can take their new C8 on our next adventure. Also, thank you to all who participated and made it such a fun day.

It was great to finally get together after an unusual and stressful year. We look forward to many more cruises and events in the coming months!

On Monday, May 31<sup>st</sup> Americans across the country will remember the brave men and women who gave their lives for our country. Whether you plan to observe the holiday with parade, a service, or a moment of silence, please remember those who have sacrificed themselves for our freedom.

# **“DASH TO THE BASH”**

## **National Corvette Museum 2021**

Larry & Ingrid Goelz

As one would expect of Randy Flock, he brought up the idea to me last year of doing a run to the National Corvette Museum in 2021 for the annual Bash Event (the Bash for 2020 was only virtual). He and I discussed it and the 2021 Dash to the Bash was conceived. We would limit the number of cars to 20 and the trip to the NCM would take the same route as the New England 2014 Caravan route (but starting in Gettysburg, PA). We ended up with 11 cars registered.

The day before leaving the weather reports did not look good for taking the Corvette, but I had high hopes we would miss the snow, so I left the Corvette packed. Next morning, I looked outside to find we had snow overnight. As the forecast indicated rain and possibly more snow, I was glad I had prepared both the Corvette and the Cadillac for the trip.

Given the days forecast, I transferred the luggage and other items from the Corvette to the Cadillac.

This is supposed to be April?

Well, both are ready to head out

Once the Cadillac was packed, we left for our first stop in Scranton, PA. On the highway there was a lot of slush and with the temperature at 32 degrees, the Corvette would not have done well. We had snow then rain/snow, turning to rain out into New York State.

Upon arrival at our hotel, we noticed the restaurant that we usually dined at (Marzoni's) was closed which disappointed us as we had gotten to know one of the bar tenders over the years and now would not know how she fared during Covid.

The next day for breakfast the hotel provided an assortment of items to be placed into bags and taken elsewhere (all the tables and chairs were removed) to eat. After this minimal breakfast we headed to

Gettysburg to meet up with the group. On the way we stopped at the Middlesex Diner in the Carlisle area and had a real breakfast.

Arriving in Gettysburg, we were able to check into our room early, then we headed to the Adams County Winery where we sampled some wines and purchase several (1/2 case) that we liked. Then we headed back to the hotel to wait for the rest of the group to arrive. Dinner was scheduled for 5 PM at the Dobbins House Tavern which is an incredibly old landmark in Gettysburg, built in 1776.

The next day everyone met at the local Sheetz Gas Station for departure to Stonewall Resort in Roanoke, WV. We left with the Cadillac in the

lead and 9 Corvettes following. Our route took us down I-81 to Harrisonburg, VA where we exited

onto US 33 west, which is one of many roads that provides many tight turns with a lot of elevation changes. On the route we stopped at Seneca Rocks (destination for rock climbing and a picnic area) where we ate our box lunches that we picked up at the hotel in Gettysburg. After lunch we proceeded on to Stonewall Resort. On the way to Harrisonburg, one couple got confused and ended up on I-70. Instead of the fun drive on US 33, they proceeded to the resort.

Dash to the Bash group at Dobbins House

Seneca Rocks

As we normally stayed at the Stonewall Resort on our trips to and from Bowling Green, we made many friends with the staff. We were pleased that all were still there and doing well. We met up with the folks who had gotten “lost” at TJ Muskies lounge in the resort and then we proceeded to have dinner at the Stillwater Restaurant. Afterwards some of us gathered at the outside fire pit for nightcaps and conversation.

After breakfast we headed out for Lexington, KY and the historic Campbell House Hotel. For lunch we stopped at a Cracker Barrel restaurant, then finding out that our wait could be almost an hour, we walked to a McDonalds and grabbed a quick lunch (which we ate in the cars) and departed.

Arriving at the Campbell House I was interested to see the changes since we stayed there during the 2014 Caravan. It is now a Hilton Curio Hotel and had been renovated. We did a tour of the Mary Todd Lincoln home and then had dinner at Campbell House. There I found bourbon that I had not tried in the past, Old Forester 1910, which was quite nice.

Next day we would have breakfast at the Kentucky Castle in Versailles, KY. This was built in the early 1900’s as a personal residence and fell into disrepair. In the early 21<sup>st</sup> century the castle was purchased and restored and is now is a hotel (about 15 rooms - \$300 and up), restaurant, wedding and concert venue, etc. They are a farm to table restaurant with large vegetable gardens on the property. Breakfast was enjoyed by all. We gathered for a group picture (without the Cadillac) and then departed for Bowling Green.

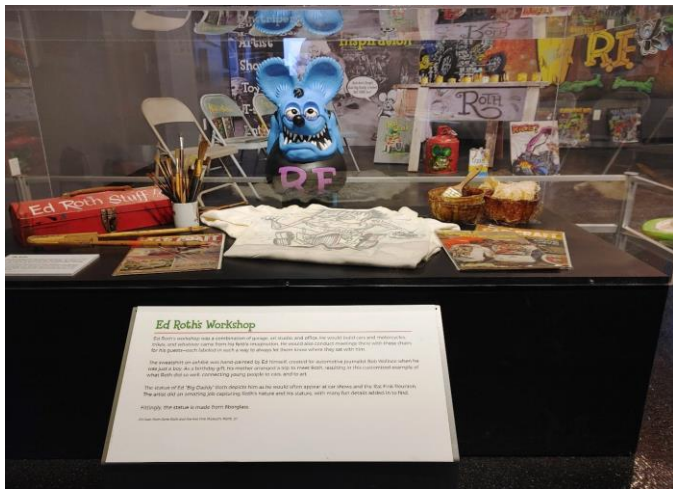

Kentucky Castle – Lexington, KY

Group photo at Kentucky Castle

Arriving in Bowling Green we stopped at the National Corvette Museum, saw 5 new C8’s ready for Museum Delivery, then went through the museum to see the new “Rat Fink” display of Ed “Big Daddy” Roth creations. From the museum we headed for the Holiday Inn Hotel, registered, then met the group for dinner at Montana Grill (Tuesday is all you can eat ribs night).

Ed Roth's displays & Ed Roth's pickup

On Wednesday, after breakfast, the group gathered to drive to Belle Meade, TN (just outside Nashville) to tour the Belle Meade Plantation and have lunch. The plantation is over 200 years old and at its peak was 8 square miles in size and was the nation's leading thoroughbred farm.

Upon return to Bowling Green, all met at for dinner at Rafferty's restaurant. Some of us had a nightcap at the Holiday Inn lounge.

Thursday, Ingrid and I joined a museum led tour of "My Old Kentucky Home" and lunch afterwards. The home got the name from Stephan Foster's song since he got the inspiration for it while staying at the home. After the tour we proceed to BJ's Steakhouse for lunch then returned to Bowling Green where several of us attended the NCM Winners Circle Banquet where members were honored for their contributions to the museum. Randy, Judy, Ingrid and I were honored for the contribution of \$10,000.00 made by the 2019 New England Caravan, and also for our annual contributions.

Winner's Circle Awards

Ingrid and I did not have any planned museum events to attend so after breakfast we went to the museum, looked around the vendor displays, then headed out to Portland, TN for lunch at the 5 Chefs restaurant. The desserts at 5 Chefs include exceptionally large layer cakes which are particularly good. After returning to Bowling Green, we attended the 2020 Hall of Fame inductions (held at this time as Covid caused the 2020 Anniversary event to be postponed). The inductees were Doug Fehan – Racing, Henry Haga – GM/Chevrolet, Mike McCagh – Enthusiast, and Wendell Strode – Enthusiast. It was great to be in attendance for the induction of Wendell Strode as we have known him for some years.

On Saturday Ingrid and I joined the museum tour to ride the paddle wheeler General Jackson Showboat and enjoy the luncheon and entertainment while cruising into Nashville and back.

General Jackson Showboat, Nashville, TN

Many of our group departed for home and Ingrid and I departed on Sunday. Overall, the Bash was subdued based on attending many in the past. There were no new 2022 C8's to look at (other than the ones for Museum Delivery), GM did not have their usual cadre of sales and engineers there to talk to the attendees, and the attendance was down by about half. However, it was great to get out of the house and on the road to connect with friends at the NCM and along the way. I expect next year's Bash will be back to normal

While talking with the Chairmen of the Board, Glenn Johnson, he mentioned that a past board member, Paul Mariano had Covid-19, was in the hospital in intensive care and was starting to stabilize. Since arriving home I was informed that he passed away. Paul was a great person, a valuable member to the museum, chairman of the 2014 NCM Caravan, and a person that I got to know. He will be missed.

*Larry & Ingrid*

## That Poor Vette

A picture is worth a thousand words, and for this poor black C6 coupe... much more than a thousand miles. It's unclear what led to this Vette ending in the "rubber side up" position, and when firefighters arrived, the driver was trapped in the car with his legs pinned inside. They quickly extracted him and the driver refused medical treatment – apparently suffering no injuries in crash. Sadly, reports are that the Vette was totaled.

# **The Eastman Inn in North Conway**

## **Historic Bed and Breakfast**

### **Tony & Donna Centrella**

On April 27, a small group of us travelled up to the Eastman Inn in North Conway for a one-night getaway. Innkeepers Roger and Linda Allain, also Gate City Corvette Club members, were gracious hosts treating us like royalty. The Inn, which was built in the late 1700's, is very quaint with beautiful rooms and lots of amenities. When we arrived, Roger had all the parking spaces in the front of the lot reserved for us to line our cars up beside his C8.

Roger shared his collection of photos and history of Corvettes, new and old. We all gathered on the porch with Linda and Roger and had drinks, cheese and crackers and fruit as an appetizer while we talked, laughed and enjoyed the many cars that pulled into the lot to view the Corvettes. Later in the evening we crossed the street and had a delicious meal at the Muddy Moose Restaurant. The next morning, we all sat down to a wonderful breakfast prepared by Linda and Roger. This is a trip we will surely repeat each year.

Our trip home took us on the Kancamagus Highway to experience the curves of a twisty road during a low traffic season allowing us to step on the gas and see what these cars can handle. I would strongly suggest to anyone a trip to the Eastman Inn, alone or in a small group and enjoy the Inn and the hospitality of Roger and Linda.

Thanks guys! We will be back.

# **Gate City Corvette Club Cordially Invites You!**

# Calendar of Events

## Brent AuCoin, Officer At-Large

Our first cruise of the year (Covered Bridge #1) took place on Saturday, May 1<sup>st</sup>. There were 13 cars and 23 people in attendance. The cruise covered five historic bridge sites and ended with an enjoyable meal at Daniel's in Henniker, NH. A second covered bridge cruise is currently in the works and will be scheduled soon.

The Activities committee continues to be busy planning trips and events. Below is our current events/activities list for your review. At the bottom of this report, we have added a list of cruises that you might want to attend.

**If you would like to attend the following events, please fire off and email to me at [woodboundview1@msn.com](mailto:woodboundview1@msn.com) so that we can keep a tally of how many cars/people will be attending.**

**NEXT UP:** Breakfast at the Red Arrow in Nashua (across from MacMulkin) May 8th.

- Covered Bridge Dust-off Road Trip.....May 1 (rain date May 2)
- Breakfast Gathering at Red Arrow Diner – Nashua location.....May 8 (no rain date)
- Covered Bridge Cruise II – Swanzey, NH.....May 29 (rain date May 30)
- Granite State Muscle Car Show Deerfield Fairgrounds 10-3pm.....May 22
- Bar Harbor Cruise and Stay Over.....See Norm Wood.....June 3 – 5
- Back to the Beach (Old Orchard Beach).....June 10 – 13
  - Contact Ralph at ([rqaug85@charter.net](mailto:rqaug85@charter.net)) or Sandie ([sandieb98@yahoo.com](mailto:sandieb98@yahoo.com)) for reservations for those planning to stay over the weekend.
- Annual Club Picnic, Alton, NH.....July 24 (rain date July 25)
- Corvettes at Carlisle, PA.....August 26 - 29
- NE Caravan Reunion (Loon Mt.).....Sept 9 – 11
- Vettes to Vets.....TBA
- Castle in the Clouds Picnic.....October 3
- Holiday Party.....January 2022
- CCRI Car Show.....1<sup>st</sup> Sunday in August Tentative
