Hello Members,

Here it is October already! We have only a few months left until year end.

It's been a very busy season. Ellen and I spent five days at Corvettes of Carlisle at the end of August. At the beginning of September, I attended the huge car show on Elm Street in Manchester, NH. The weather was great and many members participated (Hooray!) If you showed up there at 6:30 am you were considered late. About 300 people were ahead of us in line already!

The next weekend found a group of us at the New England Caravan Reunion at Loon Mountain in Lincoln, NH. We all had such a great time. Friday was misty and rainy but the organized scavenger hunt was an adventure like I had never experienced. Randy Flock, as usual, out did himself with planning a challenging and creative activity. Saturday the weather was beautiful and we ventured over the Kancamagus Highway to North Conway. Larry Shields led the way - top down of course. Twist and turns of the road along with spectacular views made for a perfect drive. The shopping did not disappoint either. We enjoyed an excellent dinner two nights in a row at the Common Man in Plymouth, NH with drawings and prizes at the end of the evening. We also had a guest speaker, retired FBI and current National Corvette Museum board member, Wes Wong. What stories this gentleman can tell. He was Field Agent in charge on 9/11. Need I say more?

This month we have Castle in the Clouds picnic on October 3rd. Come one come all! We have our Gate City Corvette Club meeting at MacMulkin Chevrolet on Friday, October 8th. Yes, we are going back to Friday meetings for October and November. We need a good turnout to discuss the remainder of this year and next year. Items for discussion will be the annual holiday party and the future of Spring Fling. Also, the Nominating Committee led by Dave Hill is preparing for the election of 2022 Board of Directors to be held at the November meeting.

This is your club and I look forward to your input and participation to ensure our continued success.

Best,
David Osgood, President

Activities Corner

In about a month the Corvette cruise season will be coming to an end as the cold weather approaches. Many of us will be cleaning and then storing the cars for the next 5+ months.

Overall, June was a good month starting with the Bar Harbor Weekend and our 2nd Covered Bridge Cruise. There were many cruise nights around the area that members were able to attend. July, well as we all know was a very wet month with lots of rain and everything was green. We did have a great sunny day for our annual club picnic hosted by members Brad and Linda Davis. August was better with a car show at the Aviation Museum at the Manchester Airport, another show in White River Junction in Vermont and of course the big one...Corvettes at Carlisle. In September we had an early morning start with a very large "All Car Cruise-In" on Elm Street in Manchester, NH. I estimate between 1000 to 1200 vehicles lined the streets along with several club members at different locations. Then several of us attended a damp weekend at The NE Caravan Reunion at Loon Mountain in Lincoln, NH. Our next event was supposed to be a cruise to Castle in the Clouds late in the month, but was postponed until Oct 3rd, hopefully the weather will cooperate. There was an invitation to the club from Corvettes of Southern NH (a group formed on social media) for a cruise along the Kancamagus Highway; several of our members were able to participate. We are working on a couple more events, another cruise to the western part of NH on October 17th (Flyer on page 24) and a Detail Clinic on October 9th or 10th.

Susan and I are packing for a few days in Las Vegas and the Ron Fellows Driving School at Spring Mountain. Everyone I have talked with about this school has raved about it so we are looking forward to going.

On another note, with Covid 19 and restaurants having problems with reduced hours and staff, we tried moving our monthly meetings to Thursday nights. It seemed to be a hit at first but then attendance dropped off. The Board has decided to go back to the 2nd Friday of the month. Hopefully we can increase member attendance again for the October and November meetings.

November is our election for Board of Directors for 2022. If you are interested in running for a position please contact Dave Hill or any member of the present board to get your name on the ballot. (Please see election information on page 22.) I feel that it is always good to have new members on the board with fresh ideas to make this a better and more outstanding club that offers something of interest for everyone.

Hope to see you at our next club meeting on Friday, October 8th at 7:00 pm at MacMulkin Chevrolet. Please feel free to arrive at 6:30 to socialize before the meeting.

**Meeting at Bonsai Restaurant
(Exit 1 on Route 101)**

Please arrive by 10:15 for 10:30 departure

**Contact Norm & Susan Wood if you plan to attend.
Please let them know if you plan to caravan with the group.**

Please Note: Due to Covid concerns it was decided
that everyone will bring their own lunch for the picnic.

603-759-2595 or woodnorman@comcast.net

President: The August 12, 2021 Gate City Corvette Club meeting was held at MacMulkin Chevrolet in Nashua. Many of us arrived at 6:15 to socialize prior to the meeting. David began the meeting a little early at 6:50 so that we could be at the 110 Grill by 8:00 for dinner.

Treasurer: Dean Gagne was unable to attend the meeting. Norm reviewed the latest treasurer's report prepared by Dean.

Membership Director: Tom Stewart was unable to attend the meeting. Jim Galletly was our newest member attending the meeting. Jim has a 1998 Nassau Blue convertible.

Secretary: Allie thanked members for their contributions to the newsletter and asked that everyone send photos and write-ups after attending any type of Corvette activities or events. Cover photos are needed...please submit your favorites. There is a new section in the newsletter with news about the National Corvette Museum and New England Caravan 2024 written by Larry Goelz, ambassador to the NCM. A motion to accept the secretary's report was made and accepted.

Vice President/Activities Director: GCCC has received an invitation to participate in a cruise north to include the Kancamagus Highway on Sunday, September 19th. Meeting place is the rest area on Route 93 at 8:00 am. Norm will send out the details in an email.

As you may know, Vettes to Vets at the Veteran's Hospital in Bedford, MA was cancelled again this year. Karen Blandini will be accepting donations for the Veterans on Sunday, September 6th. Norm will be leading a caravan down. Please contact Norm if you would like to join him.

Please note: **Castle in the Clouds** picnic is now scheduled for **Sunday, October 3rd**. Meeting place is Bonsai Restaurant at Manchester traffic circle at 10:15 for 10:30 departure.

Norm will research a venue for a holiday party in January. Of course, we will need to consider the Covid situation at that time and the number of members who wish to attend.

Officer at Large: Brent AuCoin reviewed upcoming cruises and events as the season winds down. Please see the VP/Activities report and Officer-at-Large report in this newsletter.

Brent will be planning a fall cruise for October.

It was decided that the October and November meetings would be held on the second Friday of the month. There is concern over a low turnout on Thursday evenings. (Please see meeting flyer on page 4.)

David and Norm discussed the upcoming election for Board of Directors to take place at the November meeting. They volunteered Dave Hill to head the election committee. David O. will ask Dave H. if he is willing to take on this responsibility.

Allie

That Poor Vette

This poor torch red C8 is our entry for this month. This is why it's always a good idea to be in the 'top bunk'... just in case something goes wrong like you see here. This C8 was loaded onto a car carrier... and then met its next fate of being crushed by the upper deck of the car carrier. It was unclear if it was a transport company driver failure or a failure of the hydraulics that led to this fate. But for now it will be a future of insurance claims for this owner.

MEET OUR NEWEST MEMBER!

Jim Galletly

A native of New Jersey, I have always been a fan of 2 Seat Thunderbirds and Corvettes. As a boy, I loved my aunt's baby blue T-bird with white leather and that love has continued. As a young adult, I coveted a C1 or C2 Corvette but could not afford one. Since then, I have been hunting for the right Corvette. When I saw my car online at a dealer in Rhode Island, I drove that day to see it and immediately bought it. My vanity plate sums it up - "FINELEE". I am looking forward to attending events as my job will allow (I work at a country club where weekends are prime time in the summer) and also learning a lot more about my Corvette and how to care for it. In my past, I owned a 1962 Thunderbird coupe and belonged to a T-bird club in NJ which I thoroughly enjoyed. I look forward to being welcomed into Gate City Corvette Club!

VETTES TO VETS

Sunday, September 27, 2021

By Tom Stewart

The annual Vettes to Vets event at the VA Bedford, MA is typically held on Gold Star Mother's Day each year, and has been a full weekend event with Corvettes from New England, New York, New Jersey, Pennsylvania and even Canada. More than 700 Corvettes took part in the 2019 event.

2021 is the 18th year of this worthy cause! Hopefully they will again raise a significant amount of money! Last year during a pandemic, Karen Blandini of North Shore Corvettes collected donations of \$17,000.00 plus many, many personal care and clothing items. On Sunday a few members got together and drove to the Marriott to make donations and see the other Corvette owners.

Gate City Corvette Club is fortunate to have many Veterans within our membership. Al Whittier and Norm Wood were two of our Veteran members that participated in the event.

**A HUGE THANK YOU TO ALL THE VETERANS
FOR THEIR SERVICE AND SACRIFICES FOR OUR COUNTRY!**

Caravan Reunion at Loon

by Sue Wood

Norm and I spent a great weekend at The Mountain Club at Loon Resort and Spa in Lincoln, NH in follow up to the 2019 New England Corvette Caravan. We were joined by Larry and Ingrid Goelz, Larry and Heather Shields, David and Ellen Osgood and Bob and Carol DiMeo also from Gate City Corvette Club. There were 80 couples or so attending. You may have seen pictures posted on Facebook from our weekend.

We especially enjoyed participating in the Scenic Road Rally. We headed out that morning under cloudy skies and by the time we were at #7 The Old Man of the Mountain Historic Site and at the Observation Point of The Old Man of the Mountain it was raining. It didn't stop the fun of talking with others for hints to answers or just general chit chat. We didn't win but the road rally forced us to get out of our car and really look at the sites we stopped at. Participants had to read all the historical markers or road signs and even site advertising to find answers. Our host really worked hard to plan this rally. We thought others might enjoy this type of adventure so we have saved the questions to share with you in the future. It would make a nice vacation day trip or family daily driver adventure.

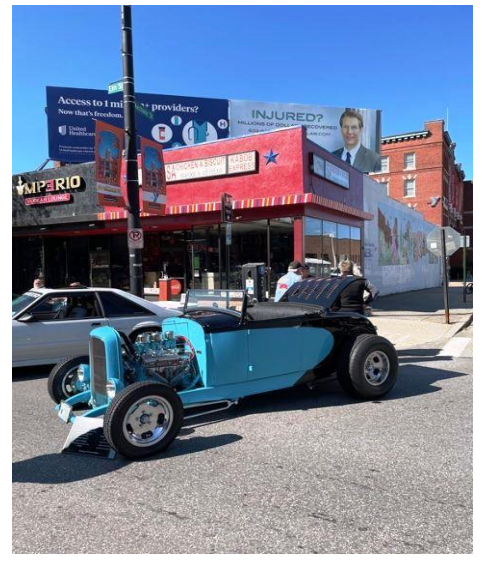

Dinner on Saturday night was fun going over all our mistakes on the answer sheet with everyone at our table. Heather and Larry Shields take this seriously and did really well; they placed in the top 15 for correct number of answers. Norm and I thought we did well but obviously we were wrong...we didn't make the top 15.

Corvettes on the Kancamagus

Tony Centrella

Five club members and their spouses went for a beautiful ride on the Kancamagus Highway and Route 302 through the Notch with Southern New Hampshire Corvettes, a Facebook group of Corvette enthusiasts from all over New England. The weather was on our side with cool temperatures and lots of blue sky. In all there were twenty cars and 31 participants. The grounds of the beautiful Mount Washington Hotel provided the perfect setting for a photo op. It was a fun time for all.
