Hello All,

We had our first official club meeting of the year on Friday, February 11th at MacMulkin Chevrolet. The meeting was well attended and the agenda jam packed with our goals and planned events including our Spring Fling Corvette Show in May. There were three potential members present and hopefully they were impressed enough to join our club.

I was very happy to see Dan and Claudia Feidler at the meeting as they are moving to Pennsylvania this spring. Dan addressed the members and in doing so gave a heart felt goodbye to everyone. Both Dan and Claudia have been active members for many years. They will be greatly missed and have an open invitation to join us anytime anywhere. We hope to see them at Corvette events in the future.

The next big event was our Saturday morning breakfast at the Red Arrow Diner (18 in attendance) and afterwards to MacMulkin for the unveiling of the new 2023 ZO6 Corvette. What a fun day we had getting together and then joining the crowd of potential ZO6 owners. Would you believe some even drove their Corvettes in winter?

The Spring Fling committee is laying out the program for our show and we are happy to recruit more volunteers. We also have trophy sponsor forms available for enlisting those who wish to sponsor trophies. There is plenty more to discuss and your ideas are always welcome!

Hope to see you at our next meeting on Friday, March 11th.

Best Wishes,
David Osgood
President

Activities

Dear GCCC Fellow Members,

Well, February was certainly a mixed bag of weather with temperatures down to sub-zero and as high as 60 degrees, snow, sleet, rain and a few sunny days in between. Mother Nature threw just about everything at us. The good news is that spring is just a few days away, so get your Corvettes ready, bust out the BBQ tools and start the countdown...

From a club perspective we were quite successful in the month of February:

- Impressive attendance at our club meeting on the 11th. Several new members have joined since the beginning of the year. It is always a great feeling to see such a show of support in these meetings.
- Spring Fling Corvette Show was announced for 2022; and planning has formerly kicked off. Many of the New England clubs have also shown support byway of their newsletters and Facebook. Spring Fling dates to remember: GCCC Judging Clinic – May 15th, **Spring Fling Corvette Show – May 29th**, and Spring Fling **Rain Date** – July 31st. Many thanks to Dean Gagne and the Spring Fling committee for a great start. If you are interested in joining the team, send an e-mail to Dean or any of the board members.

Obtaining sponsors is such an important component of Spring Fling. They are a significant source of funding in support of our event. If you would, please try and firm up your sponsors as soon as possible and get your checks and forms back to Dean or myself.

- We had two events in February: Red Arrow Breakfast / Z06 debut at MacMulkin's, and the RCO (Retired Corvette Owners) Breakfast at Bonhoeffer's Café and Espresso. Both events were very successful from an attendance standpoint as well as the "fun meter". Thanks to both Norm and David for hosting these events.

Looking forward towards March we have two events:

- March 11th – GCCC Club Meeting and Dinner.
- March 26th – Movie Night at the Tyngsboro AMC Movie Theatre (Date may change based upon showings). Host: Membership Director, Tom Stewart.
- Your requests – if you have an idea for a cruise or event, please let us know!!

I would like to take a moment to welcome all of our new members. Also, I would like to thank the Board of Directors for all their support in the implementation of our Calendar of Events!
See you all in March!

MEET OUR NEWEST MEMBER

Peter Bovio

It Was Then and Now a Very Good Year...

When I was 11 years old the 1953 production Corvette was selling and won my admiration. At age 17, I drove a 1953 Corvette. A year later, I Purchased a 1951 Chevy Convertible, installed 1956 Corvette taillights, new 4 speed manual transmission, swapped torque rear end to 1956 Chevy leaf spring rear for hook-up and a 1960 Plymouth square steering wheel. As to chopping the windshield 4 inches, 1951 Olds 1 piece windshield. Original 235 cubic inch automatic 6 cylinder changed to GMC 270 cubic inch truck 6 cylinder, 11 inch bell housing later changed to a Chevy truck 348 cubic inch V8 engine. At 21 years old, I ordered a new 1964 Corvette C2 fuel injected coupe, 4:11 rear, factory tinted windows, and off road exhaust, 4 speed, from Saltz Chevy, Salem, MA (2month delivery) At 57 years old, I purchased a 1996 Chevy SS Impala. This Chevy was very nice with lots of space and great for highway travel!!

My most recent purchase is a new 2021 Corvette C8 Z51 Retractable from MacMulkin Chevrolet in Nashua, NH. (9 month delivery) At age 79, I received my new '21 and joined Gate City Corvette Club for more "Very Good Years."

I guess I love Corvettes, a great dealership and a great car club!

That Poor Vette

The next battle has been fought in Ford vs. Chevy... and I don't think there are any winners here. With pickup trucks getting taller and Corvettes getting lower, that wasn't a particularly good combination for this poor Torch Red Stingray C8. The Ford F-250 Super Duty seems to have tried to make a hard right out of their parking space... perhaps in retrospect... too hard of a right.

OUR TRIP TO MECUM AUCTION

Tony Centrella

Dave Bright, Jimmy McLaughlin and Tony Centrella recently took a trip to Florida to meet up with two former members, Dennis Corrigan and Gordon Vanderpool, to attend the Mecum Auctions in Kissimmee, Florida. The weather was great and in the 70s every day and well appreciated by three northern boys sick of the cold temperatures. Mecum's was an experience that should be on everyone's bucket list. The two days we toured the auction grounds couldn't scratch the surface to see most of the 3500 cars that were up for auction but that didn't stop us from trying. On the second day we ran into Dan Feidler and Joe Michalik just before Dan's car was going up for auction. What were the chances? On the first day we met Chris Jacobs from Overhaulin' and Wayne Carini from Chasing Classic Cars. The highlight of our trip was Dave, Jimmy, Dennis and I getting on TV. Enjoy the pictures from our adventure.

Ambassador's NCM Update

March 2022

*As the GCCC Ambassador, I have goals to meet for the NCM. For me to meet the goals I need each of you to **let me know** if you attend a museum event, purchase memberships, purchase raffle tickets, purchase bricks/tiles/bench, or make donations to the museum.*

Artifact of the Month: Each month, Curatorial staff will select an artifact from the collection that is connected to a significant moment in Corvette history and share its story with you. For the current story, "Grady Davis/Don Yenke Groton", go to <https://www.corvettemuseum.org/Grady-davis-don-yenko-croton-watch/>.

Long before the factory-backed Corvette Racing team began winning at Le Mans, it was up to "privateer" racers to defend the honor of Corvette on tracks across the country. In those days when GM was participating in a voluntary ban on racing activity, enthusiasts became team owners and ordered their Corvettes from the dealership, and then prepped them for racing. For teams that did well, they might begin to see heavy-duty parts show up from Chevrolet Engineering for "testing" on track. Grady Davis, Vice President of Gulf Oil, was one such privateer. Using Gulf Oil research and development resources, and some clandestine heavy-duty help from Chevy engineers, his Corvettes would dominate. Chevrolet dealer and racer, Don Yenke, began driving Corvettes for Gulf Oil Racing in 1961 and won the National Championship that year with co-driver Dick Thompson. On February 11, 1962, his Corvettes began their season at the Daytona Continental race, winning it and going on to take the B Production class championship in 1962 and 1963 with Gulf Oil Corvettes. This Croton watch was given to Don Yenke by Grady Davis after the 1963 racing season. The watch is engraved on the back "To Don from Grady '63".

Executive Chef for the Stingray Grill

The National Corvette Museum is pleased to announce that Chef Bobby Hammock has joined the organization as Consulting Executive Chef of the Stingray Grill. Beyond overseeing general restaurant operations, under Hammock's leadership, the National Corvette Museum will begin internal catering operations for small and mid-sized events on property.

Corvette Store Renovations

The newly renovated Corvette Store will be opening in Mid-March! While the Corvette Store will still be selling everyone's favorite Corvette Merchandise, the store itself is receiving a major makeover! We are excited to give NCM visitors a modernized and refreshed shopping experience. Museum guests can look forward to a store design that more adequately represents the NCM brand. Don't worry; the Corvette Store is still open in the Museum's Conference Center during renovations.

A New Location for Raffle Cars in the Corvette Store

On your next visit to the National Corvette Museum, you will be able to enjoy an all-new shopping experience in the Corvette Store. While we are only in Phase 1 of the renovation, you can already notice a few changes in this sneak peek photo!
