NCM & Caravan Update

Hello Members,

Many of you heard about my adventure at The Magic Mile in Loudon. Ellen and I drove up to Concord Airport on the Thursday night before the Nascar races expecting to see the drivers all flying in. When we arrived there was nothing...no planes and no people. I looked at the website and discovered a charity drive around the track was going on. We zipped up to the track and found the registration desk and within twenty minutes I was on the track with my Corvette. Some poor guy in a Hyundai must have made a wrong turn as we passed his car up against the wall. Remember, it is always a left turn!

Looking back over July we managed to get in a number of activities. Many of us attended the Aviation Museum Classic Car Show in Londonderry. The GCCC Summer Picnic at Pembroke Memorial Park turned out to be the best of times. We had a beautiful sunny day with more members than I can remember in recent history. Al Whittier actually brought the '59 so you know the weather had to be perfect. We wrapped up of the month with a cruise to LaBelle Winery in Derry, starting just outside of Manchester and driving along back roads to Derry was perfect. We enjoyed lunch with a wine tasting to finish the day. Sometimes the shorter trips are the best!

On August 13, 2023 we plan to organize a cruise to Corvette Club of Rhode Island's Corvettes by the Sea. Please mark your calendars to support CCRI as they always turn out for our Spring Fling.

Some of our members are headed to Corvettes at Carlisle the end of the month. They will be joined by perhaps over 5000 Corvettes for this annual event. My first time was in 2019 and thanks to ACS I have some Carbon Flash rock guards protecting my car. You will always find something new that you just have to buy. Ask David Bright!

At the winery I was sitting with Janet and Darrin, relatively new members to our club. They are from Kansas City and now reside in New Hampshire. I asked what motivated them to join our club. Their response was they wanted to meet new people and other Corvette owners. Let's keep building on our reputation as a welcoming club!

Gate City Corvette Club is one of the hundreds of Corvette clubs throughout the United States and Canada. The purpose of GCCC is to make being a Corvette owner more fun. GCCC meets at 7:00 pm the second Friday of the month at MacMulkin Chevrolet, 3 Marmon Drive, Nashua, New Hampshire.

I understand that we all have personal obligations which do not always align with our events. The good news is you are always welcome to join us whenever you can. In addition, we try to plan a variety of activities so there is something for everyone. Your feedback and suggestions are always welcome.

I know the title of my comments is called *First Word*; however, it is never the *last* word. Members always have the last word because this is your club!

Best,
David Osgood

Lunch at LaBelle Winery

A visit to LaBelle Winery in Derry, New Hampshire is a great way to spend a beautiful Sunday afternoon. Actually, lunch at LaBelle has been on the club's short list of future activities for quite some time.

It was a fun cruise from Manchester via Route 121 through the towns of Auburn, Chester, Hampstead and Derry. This winding road follows an old Stage Coach route that began in 1793, extending the Boston route from Haverhill to Concord, NH. Along the way there are vistas of Lake Massabesic, fields, stone walls, and villages with a number of surviving historic homes and buildings.

We arrived at the winery and found perfect parking for the Corvettes away from the more congested parking area. At the restaurant our table was ready and waiting for us and our server was very nice and attentive to all of our requests. (We later discovered that he sings at LaBelle, as well.)

After lunch, those of us who had signed up for a wine tasting walked over to their new Tasting Room where we tried a variety of 6 wines with a wide range of flavors. This was an enjoyable way to spend an afternoon and I think we will keep this one on our short list of activities to experience again.

Activities Corner

August is here which means summer is on a downward slope into fall. So far Gate City has had some luck with the weather; Spring Fling, Aviation Museum Car Show, Summer Picnic and lunch at LaBelle's in Derry all have had great weather.

Our next event will be CCRI **Corvettes by the Sea** in Rhode Island. CCRI is a huge supporter of our Spring Fling and they usually take home the trophy for best club participation along with many individual trophies won by their members. This event is on Sunday, August 13th and is a 2 -2 ½ hour drive. Let's plan to meet at the Nashua Kohl's parking lot - Exit 6 off the Everett Turnpike to caravan down together. We can meet at the parking lot after 8 am to be on the road no later than 8:30. Please, let me know who is caravanning so we don't leave anyone behind. There is a donation fee of \$25 to attend this event. Lunch is available but last year some members chose to bring a picnic lunch. Don't forget your chairs!

A **Scenic Coastal Cruise** is planned for Sunday, August 20th. Details forthcoming...please save the date.

"**Cruising Downtown Manchester**" is Saturday, September 2nd. About 1,000 vehicles of all kinds will be on display. The entrance fee is \$25 and the registration area is on the north end of Elm Street at the Brady Sullivan Tower at 1750 Elm Street. People start to gather at this area very early around 6 am and begin to travel to Elm Street parking at about 7:15 -7:30. (The first cars to arrive are first to leave for Elm Street.) It would be helpful to know who is planning to go so members can meet and park together. This is a huge social event with musical groups playing on center stage and food trucks along with many local restaurants opening early. We will discuss further at the Friday meeting.

On September 10th, the **Fitzwilliam Police Association** is hosting an all-car show with proceeds to benefit scholarships for high school seniors pursuing a career in law enforcement. Member Paul DiSalvo's brother helps organize and run this event.

The **North Conway Overnight** is planned for September 10 - 11. We are staying at the North Conway Grand Hotel. (Some of us are booking an additional night.) On the way to North Conway we will drive across the Kanc and have lunch at the Mount Washington Hotel. The following day we plan to take a ride on the Scenic Conway Railroad vintage train. It is not too late to sign up! If you don't want to book an overnight, PLEASE consider joining us for the cruise and lunch. The view from the outside terrace (weather permitting) at the Mount Washington Hotel is spectacular and the lunch is great.

Please contact me with any questions or if you would like to attend any of the above events:

woodnorman@comcast.net

I apologize in advance for not being at the August monthly meeting. I had the opportunity to go to New England Speedway to do the NH Laps for Charity offered on that date. (I was inspired by Ellen and David's experience.)

A reporter from the Union Leader was so impressed with Norm's car she included a photo in the Sunday News. She wrote, "Among the nearly two dozen Corvettes on display at the Car Show was Norm Wood's 2020 model, whose three-stage power roof gives it a Transformer's appearance."

Corvette Trivia Question

How did Chevy design the World's largest Flat-Plane-Crankshaft V-8 production engine for the 2023 Corvette Z06?

Answer on page 20.

Trivia Submitted by Mitch Bagdigian

That Poor Vette

This Poor Vette was a 2022 C8 out for a drive on a beautiful day. The details are a little unclear on exactly what went wrong, but someone visiting the town of Corpus Christi, TX decided to go for a little drive on the coastal flats. One thing led to another, and he ended up driving the car out into about 7 feet of water... before slowly sinking and drifting out a bit further. Some divers from the "Tow Boat U.S." were able to use some inflatable recovery bags to help float the car back to the surface, and get it back to shore. Remember kids - it may be called a Stingray - but it's not supposed to go swimming.

CRAZY THINGS WE DID BACK WHEN

Alan Whittier

As you read this piece, please remember we were all much younger and a bit on the wild and crazy side! You may have heard that Gate City Corvette Club for many years hosted a 3-day weekend event called Octobervettes. Below are pictures of t-shirts that I have saved from my early years in the club. Art Massood ran Octobervettes back then. The shirt from 1981 was from my first year in the club. I noticed the design indicates it was the 7th Annual Octobervettes so the club must have been hosting the event from the very beginning of its founding in 1975. The endless keg went 24 hours for three days for several years. The keg was in our room for many of those years. It was so cool that all the names of the clubs attending were on the keg. (If you look closely you can see the club names.) My second year the shirt also had all the names of the clubs attending. The person on top of the wagon driving is Ed Brown, our second president. Behind him (Stingray Kid) is Ricky Lavoy. Besides the shirt I have the actual print used to make the shirts.

Next time I will dig up pictures of unusual trophies awarded to the winners of unusual contests at Octobervettes.

Ambassador's NCM Update

August 2023

*As the GCCC Ambassador, I have goals to meet for the NCM. For me to meet the goals I need each of you to **let me know** if you attend a museum event, purchase memberships, purchase raffle tickets, purchase bricks/tiles/bench, or make donations to the museum.*

Artifact of the Month: Each month the NCM Curatorial staff selects an artifact from their collection that is connected to a significant moment in Corvette history and shares its story with you. For the May story,

"Greenwood Eagle Necklace" go to:

<https://www.corvettemuseum.org/greenwood-eagle-necklace/>

Jewelry artist Bob Shamey became so enamored by the Greenwood Racing team that he volunteered to join their crew and used his talents to craft a very special eagle necklace in honor of his friend, John Greenwood.

NCM Special Exhibits: March 10 – Custom CARisma: The Legendary Creations of Carl Casper
Carl Casper is a car designer and engineer, a racer, a movie car builder, an antique carriage collector and restorer, author, artist, sculptor, entrepreneur, and philanthropist. As a car show producer his record is peerless. For 55 years, from 1963 to 2017, Carl Casper produced, co-produced, or teamed up to produce over 1000 car shows all over the country. Carl's spectacular career and some of his most famous cars will be on display in the *Custom CARisma: The Legendary Creations of Carl Casper* exhibit at the National Corvette Museum beginning on March 10, 2023. Cars on exhibit will include The Batman Returns Batmobile, Turbo Shark Corvette, Popcorn Wagon, Young American Dragster, 51 Merc "Knight Cruiser", Paddy Wagon, 32 Renegade Deuce and the Cosmic Invader.

Open now is a new on-going exhibit that features Corvette’s Vice Presidents of Design beginning with Harley Earl in the 1950s through Mike Simcoe today. The exhibit also reveals the lesser-known stories of those who worked out of the spotlight but were no less influential in creating the lines that would shape the auto industry. Additionally, this exhibit shines a light on the diversity of the individuals responsible for Corvette’s iconic design. This exhibit also provides a full overview of the intricate and exciting process of designing a car, from sketches and renderings to clay and prove-out models.

NEW ENGLAND CORVETTE CARAVAN 2024 UPDATE

AUGUST 2023

As we move through 2023, the 2024 Caravan is rapidly approaching (for those of us who are producing it) and we still have several tasks to complete, commitments to get, and reviewing of what has already been put in place. So, again in April we followed our route for the 2024 New England Caravan to Bowling Green, KY, checking on the roads we have selected to travel (looking for construction work, etc.), checking that the rest stops are still open, making sure the commitments we have with the hotels, restaurants and attractions are still in place, and working to finalize other items.

If you have forgotten to help support the 2024 Caravan effort by having your license plate included on the Caravan website and in the 2024 NE Caravan Route Book, there is still time for you to do it. See the Sponsor information below. Also, you can support us by purchasing a window decal of the 2024 NCM Caravan logo (see below). Please consider being a sponsor.

One update that will be of interest to many of those on the wait list is we have increased the limitation for registrations to 200 and are in the process of moving those on the wait list to the registered list who still want to register and send in the required deposit.

- The 2024 NE Caravan registration is **limited to 200 cars** and at this time is **FULL**. There continues to be a wait list for those who now send in their registration form (do not send in a deposit). The registration form on the 2024 NE Caravan website has the updated form. When there is a cancellation the first person on the wait list will be contacted and if they still want to go on the Caravan, will be requested to send in the deposit and will be placed on the attendees list when their check is received. The New England Caravan Registration Refund Policy: A full refund (less \$15.00) up to 7/15/2024. A 50% refund on your registration fee (less \$15.00) from 7/16/2024 to 8/12/2024. Sorry NO refunds for any reason after 8/12/2024.

Corvette Trivia Answer

To prevent the Z06 from shaking itself to pieces the LT6 5.5 Liter V8 engine was built oversquare. Chevy managed the shake by minimizing piston speeds. They used a big bore 104.3 mm and a short 80.0 mm stroke. This resulted in 103 MPH piston speed at redline.
