Romantic Winter Getaways
What's New for 2024?
Allie DeCampo

Publishing & Advertising

Hello Members,

Happy winter! The first event of the year, our annual Holiday Party was a huge success! The Puritan never disappoints with a great food and customer service. We were fortunate the weather cooperated this year and our long distance members were all able to attend. The most enjoyable part of the evening for me is just having the opportunity for one on one conversation and getting to know everyone better. And what would the Holiday Party be without a lively Yankee Swap where you can feel excitement followed by utter disappointment in a matter of mere seconds? But... it was all in the spirit of lighthearted fun. Not a bad way to start the year with friendship, laughter and celebration.

Even though we are well into the midst of a snowy winter, plans for the upcoming season are in the works. Stay tuned for news of activities planned to get us through the colder months as well as a fun filled calendar for 2024!

Looking forward to seeing you on Friday, February 9th at MacMulkin Chevrolet with pre-meeting social on the Corvette showroom at 6:30 pm followed by regular meeting at 7:00.

Best,
David Osgood

The purpose of Gate City Corvette Club is to make being a Corvette owner more fun. Our club meets at 7:00 pm the second Friday of the month at MacMulkin Chevrolet, 3 Marmon Drive, Nashua, New Hampshire. If you own a Corvette, please come and join us!

GCCC ACTIVITIES, CRUISES AND DESTINATIONS

As your new VP and Activities Coordinator, I've been busy looking for fun things to do, new destinations to visit and new cruises for everyone to enjoy in 2024. Fear not, some of the past member favorite events and cruises will also be on our calendar again this year.

When the full 2024 calendar is published later this spring, you'll note we have more events on the '24 schedule than we've had in recent years. It's not meant for you to attend every event, but to give you choices, hopefully finding activities that will appeal to you each and every month. With a variety of activities on the schedule, we're also hoping to see more of you throughout the cruising year not just at the meetings. Remember, the one thing that brings us together at GCCC is our love of America's sport car, the Corvette. We all enjoy our cars in somewhat different ways.

As most of you know my wife and I are the 2024 National Corvette Museum Caravan leaders for NH/VT. As a result, we will be focusing some amount of our time to Caravan responsibilities this spring then again in August/early September. So, we're asking for volunteers to help us with some of this year's GC events. Please send us an email, text or see us at the next meeting to talk in more detail. The pay's not so great (thanks Dean) but it's always fun to get involved. Thank-you!

Until the full 2024 calendar is published, I'll list the upcoming month's events here.

FEBRUARY

February 9 Club Meeting - 6:30pm Social - 7:00pm Meeting – Dinner afterwards TBD
 February 18 Sunday mid-afternoon lunch social, location TBD

Looking forward to seeing everyone on the 9th at MacMulkin for our first 2024 GCCC meeting!

Cheers,
 Kevin LeBlond

Life is short, enjoy the ride!

The photo above was taken in Gettysburg in '22 at the Peach Orchard where civil war soldiers from my hometown fought and died. It was our first of 3 dry runs to Bowling Green for the upcoming Caravan.

Hi Members,

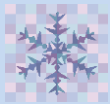

Looking in the rearview, 2023 shaped up to be an outstanding year for Gate City Corvette Club. There were many opportunities to get involved in fun club activities beginning with the annual Holiday Party in January to the Adopt a Family shopping in December. In between, we enjoyed attending picnics, car shows and beautiful weekend cruises throughout New England. We topped of the year by giving back with a variety of charitable donations.

Over the past year, we were also fortunate to have several new members join our club. Like most of us, they purchased a Corvette for the love of the car and soon discovered the desire for something more... others with whom to share the experience. As a result, new acquaintances developed into friendships that hopefully will last a lifetime.

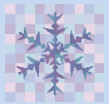

Up ahead, 2024 is a wide open highway of endless possibilities for us to explore. This year marks the 49th anniversary of the inception of Gate City Corvette Club. This is a milestone that deserves special recognition. 49 years is a long time to keep anything together, and maintaining a club with such longevity is an amazing achievement.

Our club is comprised of members of diverse backgrounds and life experiences that have shaped unique personalities and perspectives. Together we possess an array of knowledge, skills and talents. With our collective ideas and enthusiasm we can make the year ahead one of the best and most unforgettable ever!

Allie

That Poor Vette

This month's contribution is the worst crash wreckage I've seen in all the years I've been doing TPV. This one is also a firm reminder that street racing just isn't a great idea. This piece of a shredded white C7 Z06 gives you an idea of just how badly things went. It is believed the owner was racing a Mustang, when the Mustang cut the Vette off, causing it to lose control. The Vette swerved, hit a Prius in the next lane, then hit a utility pole – going straight *through* the pole – and then slammed into a tree. The car was broken into at least 4 major pieces and a whole lot of smaller debris. The driver was thrown about 150 from the car and was sent to the hospital with critical injuries.

Couples have been celebrating (and rekindling) their romance for over 90 years, and it's easy to see why. The lovely luxury boutique inn in the picturesque village of Jackson, has a Romance Package that includes an overnight stay, and bottle of sparkling wine and chocolates made by their in-house chocolatier. You'll awaken to a delicious homemade breakfast for two in the dining room.

The Wentworth in Jackson

Romance goes back over a century, and continues today, at this idyllic inn. The Wentworth was originally a gift, given in 1869 by a father to his daughter and her soon-to-be husband. That gift has been shared over the years with hundreds of couples, who come to the inn to relax and reconnect, whether it's on the ski slopes or golf course, by the fire pits glowing under the stars or at a table for two in the elegant 1869 Room. You can arrange for a couple's massage at the spa, take a horse-drawn sleigh ride, and go ice skating or snowshoeing, walk down to a waterfall or just relax in your room or suite with an oversized whirlpool tub, fireplace or hot tub. Trivia Question Answer

Robert Bartholomew designed the original design with an American flag and a finish line flag crossing and Chevrolet on top and Corvette on the bottom. This logo was changed because of laws concerning using the American flag in advertising. The American flag was replaced with a red flag with a Fleur-de-lis on it representing the symbol of French royalty. This logo was used on C1 Corvettes from 1953 – 1962.
