Hello Members,

The arrival of spring brings new hope that soon we'll be folding up the car covers and getting out on the road. Personally, I prefer to wait a bit longer. The streets still show some residual sand and a pothole can feel like a sinkhole for an unsuspecting Corvette.

Our club has remained active despite the cold and snowy weather. We have had our monthly meetings, brunch and dinner gatherings, and attended a concert at the Rex Theatre to enjoy the fantastic Bedford Big Band with our own Bob DiMeo on saxophone. Behind the scenes our 50th anniversary committee held our first meeting. We now have a "to do" list and party plans are well underway.

The other major event coming up is *Spring Fling*. We have made a few adjustments to make the day more enjoyable for all. Judging will begin earlier in the day for participants who wish to compete for a trophy. Participants who prefer not to enter in the judging portion of the show can take part in all the fun, as well. There is plenty of shady grassy area to listen to music, enjoy a picnic, and meet old and new friends. Of course, hosting a large Corvette show is a huge undertaking and requires the commitment and involvement of all of our members. Our club's lasting motivation is derived from the wonderful people who attend our show year after year.

Kevin and his committee have created a calendar of activities with exciting things to do and places to go for the entire year. I encourage all of you to join in whenever possible. Enjoy!!!

Best,
David

Bedford Big Band at the Rex Theater

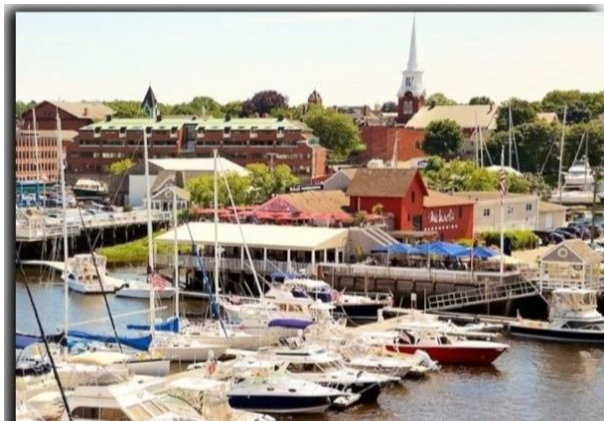

The purpose of Gate City Corvette Club is to make being a Corvette owner more fun. Our club meets the second Friday of the month at Murphy's Taproom & Carriage House, 393 State Rte. 101, Bedford, New Hampshire. Looking forward to seeing you there!

GCCC ACTIVITIES

Happy April everyone, time to bring our Vettes out of storage for the 2025 season!

The GCCC Activities Schedule for 2025 is finally live!!! It's subject to change and we'll be adding events to the August schedule soon. It's going to be an exciting 2025 with new cruises, destinations and events.

The first up is our annual **Mice Out** ride and lunch. If you haven't evicted the mice out of your cars yet, this run should accomplish that. We're meeting at Bonsai at 2264 Candia Rd, Manchester at 10:00am for a 10:30am departure for a backroad ride to Michael's Harbor Side at 1 Tournament Wharf, Newburyport, MA. After lunch we'll take a cruise out to Plum Island for a photo op. Afterwards? Maybe a little walking around downtown Newburyport for an ice cream and shopping. So, bring your walking shoes, it's going to be a fun day.

Our 43rd annual **Spring Fling** event is fast approaching and we need your help volunteering for the day with various roles we'll need filled. Some are for just the morning and some for the whole day. Please consider giving your time to your club and to your fellow members to make this another successful fund-raising event. Don't forget that funds raised at Spring Fling go to the charities this club supports every year.

We're also looking for trophy sponsors for this event! Please consider donating to support your club, or reach out to local businesses that may be interested. Thank you for your support!

Keep an eye on your inbox! Soon, we'll be sending out an email asking whether you plan to attend our **50th Anniversary Celebration** this September. Our Anniversary committee is hard at work making plans for this once in a club's life celebration. Having an approximate headcount now helps them with the planning of this great evening.

We had a great time at the Forge and Vine restaurant in Groton, MA for brunch on March 23rd, what a beautiful venue. We had 19 members in attendance. Thank-you all for joining us and we will be back! We did have two Corvettes in the parking lot, Jerry's C4 and Peter's C8.

After finishing brunch some of us got dessert.

Above is a photo of Larry's dessert. And yes, he finished it all by himself! LOL

A couple of reminders. If you haven't yet, please make plans and reservations to join us in the **Finger Lakes Get-away** October 5th thru the 8th. The hotel still has rooms available but I'm unsure if we can add another block of 12 rooms once the second block sells out. Remember you can always cancel up to a week before we leave. See the flyer within this newsletter.

The Vettes of Coastal Maine's **Bar Harbor** weekend is scheduled for May 29th to June 1st. A number of us are attending again this year. As of March 24th there are still rooms available at the hotels if you'd like to join us. <https://vettesofcoastalmaine.org/bar-harbor-tour/>

Registration form: <https://vettesofcoastalmaine.org/bar-harbor-tour/>

Hotels: You must contact the Wonder View (207-288-3358) or the Bluenose (207-288-3348). When booking, ask for the **"CORVETTE GROUP – SPRING 2025"** room block.

➤ Questions? Contact Debbie Shepard (207-594-9023) shepardinmaine@gmail.com

Our next **club meeting** is set for April 11th at Murphy's! Hopefully, the weather cooperates so we can enjoy an adult beverage on the patio before the meeting—fingers crossed! Looking forward to seeing a parking lot full of Corvettes!

That's it for this month....

Cheers,
Kevin LeBlond

Life is short, enjoy the ride!

President: David began the March 14th meeting at about 7:00 pm. This month the restaurant gave us a smaller room for our meeting but we should be back in the usual room for the April meeting. The food and service were good and we had a fun time getting together. David announced that the **Spring Fling Judging Clinic** will be at his home on Sunday, May 18th.

Membership Director: Tom welcomed Norm & Diane who are now official members. They have 2014 white convertible. Also, attending the meeting was potential new member, David Rindo.

Treasurer: Dean was unable to attend the meeting. He sent out an updated treasurer's report in an email prior to the meeting.

Secretary: Allie unveiled a new poster for the club to display along with coordinating postcards. [Please email contributions for the newsletter: allie_decampo@comcast.net]

Officer at Large: Norm mentioned just a few of the upcoming area events including:

- Corvette Mike's Blessing of the Vettes
- Vettes of Coastal Maine's Bar Harbor Event still has openings at this time.
- Laps for Charity at NH Motor Speedway in Loudon, NH – more info to come.

Norm recently attended the New England Calendar of Events meeting and shared information about car shows and cruise nights. [List on page 23.]

Vice President/Activities Director: Kevin and committee have planned several activities for the year. Kevin suggested members meet at the Rex Theater to see the Bedford Big Band and then dinner at a restaurant afterwards. [Please see Kevin's Activity Report on pages 8 - 9.]

NCM Ambassador: Larry G. announced the National Corvette Museum has a new CEO. Larry was excited to report our club has 5 lifetime members of the museum. Please remember to let him know if you join or renew a membership as he is our club ambassador. There are still openings for the Caravan Reunion. [Please see Larry's report beginning on page 18.]

Spring Fling: Larry G. encouraged members to think about trophy sponsors. He has gotten a number of sponsorships from businesses he patronizes just by asking.

David adjourned the meeting shortly at 8:00 pm.

MEET OUR NEW FRIENDS AT AUTO ENVY DETAILING

Gate City Corvette Members,

During the winter, a local auto detailer reached out to us about becoming Gate City's official auto detailer. After reviewing their website, Facebook page, and online reviews, I contacted them to arrange an onsite meeting. Their location is in Hudson, NH, just off Route 102, near Reeds Ferry Sheds.

Norm joined me for our meeting with Mike and Raeann Hall, the owners of Auto Envy Detailing. We were both impressed by their professionalism, operation and expertise in auto detailing. Interestingly, Raeann's father was a Corvette enthusiast who attended Corvettes at Carlisle with her and was also a past member of Gate City Corvettes, creating a great connection between Auto Envy and our club. Additionally, several Gate City members are already loyal customers. We believe Auto Envy will be a fantastic business partner for our members and their cherished Corvettes.

This is a great time to bring Auto Envy on board as we get our cars out of winter storage that surely will need some love after it's long winter's nap. Their services also extend to our metal cars that probably can use some attention after a long winter of sand and salt abuse.

As part of their commitment to Gate City, Auto Envy has purchased a full-page ad in our newsletter, committed to being a trophy sponsor for Spring Fling and plans to attend our event as a vendor. We're also working on setting up a Corvettes and Coffee gathering at Auto Envy later this month—stay tuned for details!

Below is a welcome message from Mike and Raeann. They'll soon be offering exclusive discounted pricing on their car care services for Gate City members ONLY.

THE STORY OF CORVETTE BEGINS AT WATKINS GLEN
CORVETTE
2025 Thunder in the Glen

May 17-18, 2025

Corvette Thunder in the Glen 2025 Corvette Festival

<https://watkinsglen.com/corvette-thunder-in-the-glen/>

2025 marks the 72nd anniversary of the Corvette, designed and engineered by General Motors chief stylist Harley J. Earl, who was inspired while attending the 1951 races at Watkins Glen. The first Corvette, quickly dubbed “America’s Sports Car,” thrilled onlookers at the races at the Glen two years later. Corvette Thunder in the Glen, May 17-18, 2025, celebrates Harley Earl’s legacy, with two days of activities at Clute Park on the shores of beautiful Seneca Lake, on the Village’s main street, and at the historic Watkins Glen International racetrack.

A photo of a transport leaving the Bowling Green plant with two ZR1's.

The two ZR1s appear to be a coupe up front and a convertible in the back. There is a third uncovered vehicle on the very end in Arctic White, which may be a Z06 based on how it looks different than the ZR1 widebodies and it appears to be equipped with the Z06's carbon fiber wheels. The lighting isn't the greatest, but I am going to guess that these ZR1s are finished in Sea Wolf Gray. The car at the front has the polished alloy wheels while the convertible behind it has Edge Blue wheels.

Ambassador's NCM Update

April 2025

*As the GCCC Ambassador, I have goals to meet for the NCM. For me to meet the goals I need each of you to **let me know** if you attend a museum event, purchase memberships, purchase raffle tickets, purchase bricks/tiles/bench, or make donations to the museum.*

Artifact of the month: 1968 Astro II and Engineering Blueprint

Each month the NCM Curatorial staff selects an artifact from their collection that is connected to a significant moment in Corvette history and shares its story with you. For the current story go to:

<https://www.corvettemuseum.org/dale-earnhardt-c5-r-and-letters-to-andy-pilgrim/>

Dale Earnhardt C5-R and Letters to Andy Pilgrim

Andy Pilgrim and Dale Earnhardt competed as Corvette Racing teammates at Daytona in 2001. Earnhardt wrote two personal letters to Pilgrim praising his driving skills and expressing gratitude for their friendship. Earnhardt was tragically killed in an accident two weeks after writing the second letter.

History in the Making: 1953 Corvette

When the idea of a Corvette Library & Archives first came about, it was Ray Quinlan who came forward and said he would donate his 1953 Corvette if the plans would incorporate a Museum. A place to house not only historical documents but also artifacts and cars. The preservation team is hard at work and making progress on the first vehicle in the Museum's collection. After block sanding and some body repair with fiberglass reinforced filler, the car is closer to the painting stage.

NCM Special Exhibits

American Love Affair: Pop Culture and Corvette

From the silver screen to country music stars, Corvette has been front and center in America's love affair with speed and style and pop culture. The rotating collection currently features GM's Corvette Stingray Concept, better known as Sideswipe from *Transformers: Revenge of the Fallen*, and Brad Paisley's 1962 Corvette. Don't miss the immersive Skydome experience that puts you right in the scene with these legendary cars.

Speed Captured - The Photographic Works of Richard Prince

This breathtaking exhibition, which will open on Friday, March 7, 2025, celebrates the art of speed through the lens of famed automotive photographer Richard Prince. Known for capturing the essence of motion, design, and adrenaline, this exhibition will feature iconic Corvette images that bring the thrill of the track to life. Whether you are a racing enthusiast or an art lover, *Speed Captured* offers a striking perspective on Corvette's legacy of performance.

Expanded Corvette Hall of Fame

Slated for opening in the second half of 2025, the expanded and reimagined Corvette Hall of Fame will shine a brighter spotlight on the incredible individuals who've shaped the Corvette legacy. This revitalized space will celebrate the passion, innovation, and contributions of Hall of Fame members in a way that's bigger and better than ever before.

Motorsports Park News

The NCM Motorsports Park is thrilled to announce the addition of another GM Performance car to its fleet as the Cadillac CT5- V Blackwing joins the lineup of Camaro and Corvette Driving Experiences!

That Poor Vette

This poor Vette was minding its own business in the garage, quietly sleeping for winter on the top bunk of a four-post lift. The red C3 was rudely awakened when an SUV went out of control, jumped the curb, struck the corner of the garage tearing it up enough to expose both classics within. The SUV then continued out of control across the lawn until it stopped after hitting the 2nd house next door. It's going to take a bit more than just the traditional spring cleaning to get it back on the road this year...
