Hello Members,

November is the month for elections, not only around the country but in our own back yard. Gate City Corvette Club is no exception. Every year we reach out to our members for those wishing to join our Board of Directors. Having served on the board for the last five consecutive years and another three years prior, I can tell you it has been a rewarding experience. The candidates for Board positions for next year are now in place and we have an experienced group of people ready to lead. In addition, I hope other members will come forward and volunteer to work on various committees as needed. Your input helps build a better club for all to enjoy!

At our last meeting you probably heard me talk about the trip to Watkins Glen in October. I almost canceled due to a minor bout with the flu and then getting caught up with my business, however, I was determined to go and I'm happy we did. We started from Milford, NH with 10 cars and ended up with 11 along the way. How in the world Tom and Liz caught up with us on I 88 in New York was nothing short of miraculous.

For Ellen and me, highlights of the weekend included visiting Fox Run Winery overlooking Seneca Lake, and driving on the original Watkins Glen track and then the new track. An added bonus was meeting the wonderful people from Vermont and getting to see our good friends from Maine.

Another recent event we will never forget... the 50th Anniversary Party at BVI. You know the expression Go Big or Go Home? I feel our club went BIG! I know we will always treasure the memory of the joyful celebration with members that night.

Gate City traditions will always be at the heart of this club, but we must also be willing to change and explore new possibilities. Forward thinking will ensure the brightest future for our club.

Best,  
David Osgood

The purpose of Gate City Corvette Club is to make being a Corvette owner more fun. Our club meets the second Friday of the month at Murphy's Taproom & Carriage House, 393 State Rte. 101, Bedford, New Hampshire. Looking forward to seeing you there!

Happy November Everyone!

What an amazing trip to the Finger Lakes and Watkins Glen! We had 16 beautiful Corvettes — 11 from GCCC, 3 from the Corvette Club of Vermont, and 2 from Vettes of Coastal Maine. In total, 31 club members joined us, including three club presidents - Dave Osgood, Richard Barnaby (VT), Bruce Cates (VOCM) and the most senior participant at 93 years young from Vermont - Chuck Perkins (<https://skihall.com/perkins/>).

GCCC members – Tom & Liz, Bob & Carol, Norm & Sue, Larry & Ingrid, Dave & Ellen, Mike & Allie, Linda & Dave, Diane & Norm, Jerry, John & Beth and of course us!

VOCM – Bruce & Debbie Cates and Barry & Deb Shepard

Corvette Club of Vermont – Richard & Lorraine Barnaby, Jim & Carol Minor and Chuck & Jann Perkins.

There were so many memorable moments that it's hard to choose favorites, though the tour of the Corning Museum of Glass Monday morning and our laps on both the historic and current Watkins Glen tracks Tuesday morning were definite highlights. The weather was great all four days, allowing for some spectacular cruising around the lakes and incredible views from the many wineries everyone visited along the way. What made this trip especially memorable was having club members from our neighboring New England states—Maine and Vermont—join the GCCC group. It was wonderful to see everyone socializing, making new friends, making memories and enjoying our time together.

I want to thank Larry Goelz and my wife, Georgia, for the tremendous time and effort they put into making this trip possible. Over the past nine months, our team has spent hours —not just working on the big picture, but on the countless details that made it all come together.

Fun facts: a) Did you know that the geological term finger lake refers to a long, narrow lake in an over deepened glacial valley, while the proper name Finger Lakes goes back to the late 19th century and b) Did anyone notice the barges out on Seneca Lake? They are mining salt that was caused by the evaporation of a huge sea 300 million years ago, an enormous salt reserve stretches deep underground from Madison County west to Lake Erie, north to Ontario, Canada, and south through Pennsylvania.

It's going to be tough to top this trip, but we're already brainstorming ideas and destinations for 2026 — stay tuned!

Please mail your check made out to Gate City Corvette Club to:  
Kevin LeBlond, 239 Pead Hill Road, Wilton, NH, 03086

Hope to see you there!!

**President:** David welcomed everyone to the October 10<sup>th</sup> meeting at Murphy's Taproom.

He gave a recap of the recent trip to the Finger Lakes Region in New York. Highlights were stops at local restaurants and wineries and driving the track at Watkins Glen.

He again thanked the 50<sup>th</sup> party committee for planning the celebration at the Bedford Village Inn.

The election of Board of Directors (BOD) will take place at the November meeting. Members running for a Board position will be published in the November newsletter. Also, there will be a vote on the Proposed Revision of Bylaws. [A copy of this revised document was sent to members by email October 2<sup>nd</sup> for review prior to the October meeting.] At the meeting, a discussion was initiated by Larry G. to make a further revision to the Bylaws. He suggested that the Immediate Past President (IPP) who serves one term on the Board following a term as president, not be afforded voting rights. Although, voting rights for the IPP is not clearly stated in the bylaws, the IPP has in the past been granted voting rights during that one-year term. Allie said she felt voting rights should be reserved for board members who are elected to represent the membership, but did not specifically apply this to the IPP. Norm K. talked about the experience the IPP brings to the board. [Note: After the October meeting, the BOD and the Bylaws Committee decided to leave the language in the bylaws as is... no proposed revision to restrict voting rights of the IPP during the one term on the Board following presidency.]

**Membership Director:** Tom was unable to attend the meeting.

**Secretary:** Please send contributions for the newsletter to: [allie\\_decampo@comcast.net](mailto:allie_decampo@comcast.net)

**Treasurer:** Dean was unable to attend the meeting.

**NCM Ambassador:** Larry G. talked about the benefits of joining the Museum. The Museum holds Corvette raffles every month. Tickets may be purchased on the NCM website. Please let Larry know if you buy raffle tickets or if you join or renew your museum membership. Insurance for your Corvette may be purchased from the Museum and is often less expensive than your current carrier. Larry is attempting to arrange a raffle of the old GCCC brick which was at the entrance of the Museum. The club purchased a new one earlier in the year to replace the original which had worn.

**Officer at Large:** Norm W. did not have news about Corvette shows as the season is winding down.

**Vice President/Activities Director:** Kevin said the Caravan reunion at Attitash was a great success. The weather and foliage were perfect. He mentioned a possible end of season cruise.

Tickets were not available for the 50/50 or member raffles this month.

David adjourned the meeting.

## Election of Board of Directors & Proposed Revision of Bylaws

Dear Members,

Below is a sample of the ballot for the Election of Board of Directors and Proposed Revision of Bylaws previously sent to you in an email. You may vote by email if you are unable to attend the meeting. Just a reminder, our meeting on November 13<sup>th</sup> is our last for 2025. As usual, there is no meeting planned for December as it is a busy time of year with friends and family! Thank you.

Allie

# That Poor Vette

This is the story of a '67 Vette named "Burnie", a poor Vette with a second chance at life. Its owner was re-filling the gas tank on his mower, when it accidentally sparked a fire in his garage & home. The poor Vette was quite torched. But with a call to a friend who always wanted to own a C2, work is now underway to bring Burnie back to life. Apparently, the seats, dash, and several other components weren't damaged nearly as much as we would expect from the picture, and most surprisingly – they tried to start the car... and it worked! It's definitely going to be a major labor of love to bring this car back to life – but for someone's dream, I'm sure it'll be worth every penny.

# FALL RECIPES

## LIBBY'S® Pumpkin Cranberry Bread | LIBBY'S®

- 3 cups all-purpose flour
- 1 tablespoon plus 2 teaspoons pumpkin pie spice
- 2 teaspoons baking soda
- 1 1/2 teaspoons salt
- 3 cups granulated sugar
- 1 can (15 ounces) LIBBY'S® 100% Pure Pumpkin**
- 4 large eggs
- 1 cup vegetable oil
- 1/2 cup orange juice or water
- 1 cup sweetened dried, fresh or frozen cranberries

Preheat oven to 350° F.  
Grease and flour two 9 x 5-inch loaf pans.

Combine flour, pumpkin pie spice, baking soda and salt in large bowl.

Combine sugar, pumpkin, eggs, oil and juice in large mixer bowl; beat until just blended.

Add pumpkin mixture to flour mixture; stir well until moistened.

Fold in cranberries. (I use dried.) Spoon batter into prepared loaf pans. Bake for 60 to 65 minutes or until wooden pick inserted in center comes out clean. Cool in pans on wire racks for 10 minutes; remove to wire racks to cool completely. Recipe makes two loaves.

**FOR THREE 8 x 4-INCH LOAF PANS:** Bake for 55 to 60 minutes.

**FOR FIVE OR SIX 5 x 3-INCH MINI-LOAF PANS:** Bake for 45 to 50 minutes.

COOL & ENJOY!

## Apple Puff Pastry Braid

- 1 sheet puff pastry (thawed if frozen)
- 3-4 medium apples peeled, cored, diced (prefer Cortland)
- 2 tbsp sugar (brown or white)
- 1/2 tsp vanilla extract
- 1 tsp ground cinnamon
- 1 egg (beaten) for egg wash
- A handful of sliced almonds
- confectioners' sugar

Preheat oven 400 F. Line baking sheet with parchment paper.

Roll out puff pastry into rectangle.

Toss the diced apples with sugar, vanilla extract and cinnamon.

Cut diagonal strips along both long sides of pastry leaving the center intact for the filling. Spoon apple mixture down the center of the pastry. Fold the strips over filling alternating sides to create braid.

Brush pastry with egg wash and sprinkle with sliced almonds.

Bake 25-30 minutes until golden and crisp.

Sprinkle with confectioners' sugar before serving

Enjoy topped with a scope of vanilla ice cream. YUM!

# PINK CORVETTE STINGRAY PACE CAR

## "MAKING STRIDES AGAINST BREAST CANCER"

2025-10-16

Chevrolet is showing its support in the continued fight against breast cancer with the return of a specially-themed pink Corvette Stingray that will serve as the official pace vehicle for the upcoming NASCAR Cup Series races at Talladega Superspeedway and Martinsville Speedway. This season, Chevrolet will celebrate 15 years of supporting the American Cancer Society and its "Making Strides Against Breast Cancer" initiative.

“Chevrolet stands with the American Cancer Society’s efforts to end breast cancer,” said Todd Christensen, Director, Motorsports Marketing & Activation, for Chevrolet. “When the pink Chevrolet Corvette Stingray pace car leads the NASCAR Cup Series field for the next two weeks, we hope fans will join us in raising funds for ACS by participating in 'Making Strides Against Breast Cancer' events across the US this October.”

The specially-themed pink pace car will once again help drive donations for the "Making Strides Against Breast Cancer" initiative with every caution lap it completes in the Talladega and Martinsville races for NASCAR’s premier series generating a donation of \$500 (up to \$25,000). A special addition has been added to this year’s campaign with Chevrolet pledging to donate an additional \$1,500 (up to \$25,000) for each Team Chevy driver that earns a top-10 finish in the two participating events.

In 2024, 54 total caution laps were completed among the two races - raising a \$18,900 donation for the American Cancer Society. The pink Chevrolet Camaro SS pace car that participated in last year’s campaign is set to be auctioned off at the Barrett-Jackson Scottsdale Fall Auction Friday, October 17, with 100% of the hammer price benefitting the American Cancer Society.

The first of two races in this year’s campaign will take place at Talladega Superspeedway, with the pink Corvette Stingray making its on-track debut for the NASCAR Cup Series YellaWood 500 on Sunday, Oct. 19 – the penultimate race of the Round of Eight.

### **National Corvette Museum Announces New Collections Facility to Preserve Historic Corvette Cars and Artifacts**

**BOWLING GREEN, KY (October 14, 2025)** – The National Corvette Museum announced today a major expansion to protect and grow its renowned Corvette collection. The new 66,000-square-foot Collections facility, set to open in Fall 2026, will serve as the future home for some of the world's most important historic Corvettes, Corvette artifacts, and Corvette preservation efforts. ## Meet the 2029 Corvette Caravan Chairman: Jeffrey Duda

The Corvette Caravan is a nationwide, enthusiast-led road tour held every five years to coincide with the National Corvette Museum's anniversary celebration, uniting thousands of Corvette owners as they travel to Bowling Green, Kentucky, in honor of America's Sports Car.

Jeffrey Duda attended his first National Corvette Caravan in 2003 and has since played active roles in each Caravan, as Chairman, Co-Captain, and Captain. For 2029, Jeff has been named the National Chairman for Corvette Caravan and will be working with Captains from across the country to coordinate the event. Jeff is a Lifetime Member of the National Corvette Museum and resides in Hainesport, NJ. He is an active member of The Original Garden State Corvette Club, and the Original Owner of a 2004 Le Mans Blue Commemorative Edition Z06, and a 2019 Shadow Gray Coupe. Jeff is also known as the host of Zipity's Garage YouTube Channel, a Corvette-focused lifestyle channel.

## New to the Collection: 1960 Corvette

General Motors produced over 10,000 Corvettes in 1960, but only 766 of them were Horizon Blue. This color was offered for just one year before being replaced by Jewel Blue in 1961. The 1960 model year was also the last time the Corvette featured heavy grille teeth in the front and taillights that were inset into the rounded rear fenders. This car still has its original 283 cubic inch, 230 horsepower engine and a four-speed manual transmission.

The previous owner of this Corvette, Tim Zradicka, purchased the car around 2004. From 2009 to 2011, he completed a full, frame-off restoration. During this restoration, Zradicka discovered a gas station receipt from 1973 in a defroster duct, aiding his research into the Corvette's history and past owners. With the restoration complete, this car is a great example of Corvette's styling at the dawn of the 1960s.

### **Milestone: 20,000 Brand-New Corvettes Delivered**

We're celebrating a major milestone at the National Corvette Museum: 20,000 R8C Museum Deliveries of America's Sports Car. The milestone vehicle, a stunning 2026 Corvette Stingray in Sebring Orange, was delivered to Tim Vandagriff of Ardmore, OK, marking another chapter in the program's remarkable success story.

Since 1995, this program has given Corvette owners the ultimate way to take delivery of America's Sports Car in Bowling Green.

### **NCM Special Exhibits: American Love Affair: Pop Culture and Corvette**

From the silver screen to country music stars, Corvette has been front and center in America's love affair with speed and style and pop culture. The rotating collection currently features GM's Corvette Stingray Concept, better known as Sideswipe from *Transformers: Revenge of the Fallen*, and Brad Paisley's 1962 Corvette. Don't miss the immersive Skydome experience that puts you right in the scene with these legendary cars.

### **Speed Captured - The Photographic Works of Richard Prince**

This breathtaking exhibition, which will open on Friday, March 7, 2025, celebrates the art of speed through the lens of famed automotive photographer Richard Prince. Known for capturing the essence of motion, design, and adrenaline, this exhibition will feature iconic Corvette images that bring the thrill of the track to life. Whether you are a racing enthusiast or an art lover, *Speed Captured* offers a striking perspective on Corvette's legacy of performance.
