Happy July everyone!

On July 4, 2026, our nation will celebrate the 250th anniversary of the signing of the Declaration of Independence. As we get closer to this historic milestone, it's a chance for us to take a moment, look back on our nation's journey and reflect on the people and events that helped shape this country.

The more I thought about it, the more I found myself looking back to 1976, when the country was celebrating its Bicentennial. That was also the year I bought my first Corvette—a brand-new dark blue '76 coupe with a black interior. Remembering that car got me thinking about the Corvette's own journey and the remarkable way it's evolved over the past seventy-plus years. Many of us are old enough to have watched the Corvette's story unfold, one generation at a time. Some of us were even fortunate enough to own a small piece of that incredible legacy. As for me, I'm looking forward to seeing where the next decade or two—if I'm lucky—will take this remarkable automobile.

We have some exciting activities planned for July, starting with our second Corvette Cruise Night on Sunday, July 5th. So, give your Corvette a fresh shine, slip on your GCCC shirt, and join us at Murphy's for an evening filled with beautiful cars, great music, delicious food, good friends, and plenty of fun. Who knows? You might head home with a beautiful trophy—or be the lucky winner of the 50/50 raffle. Either way, it's sure to be a great night!

Lastly, a reminder of our fall weekend get-away **Sept. 18th to 21st** staying at the historic and beautiful **Harraseeket Inn** in the heart of **Freeport, Maine**. If you haven't already, please call and make your reservations ASAP so you don't lose out on our discounted rooms. Then check out the event flyer within this newsletter for all the details on our exciting weekend trip!

Till next month, take care.

Thank you MACMulkin!!!

Again, this month your Activities Team continues working to bring to the club activities that offer something new and interesting or bring back previous activities that were well attended in the past. June offered a cruise to The Old Salt restaurant in Hampton, NH. We had great attendance and all enjoyed the Sunday brunch. The club had good participation for the Forge & Vine car show in Groton, MA. The event saw a number of participants (mostly in Corvettes but there was a Cobra and several 'muscle cars') and one person who came in a 2025 Corvette ZR1-X.

Coming up in July we have several activities including our second club Cruise Night on 5 July, our club picnic being held in Pembroke, NH, and a cruise to T-Bones in Laconia, NH. Flyers for each have been included in the June newsletter. If you want to join us, please get your RSVP in soon.

From there we have more activities in the works for each month (see the Calendar of Events in each month's Newsletter). A quick look at activities that are in the works and will be offered in the coming months include our third Cruise Night on 2 August, cruise to Quechee, VT on 9 August, a Sunapee Dinner Cruise on 26 August, our overnight trip to Maine and the Haraseeket Inn in September, a Maine Coastal cruise in October, and our end of season cruise for brunch at The Farmers Table in October. Our planning calendar is fluid and is subject to change with items being added, removed, or moved to another date.

Just a note that the calendar includes NHMS Laps for Charity events that offer driving your car on the oval course and the road course. Last year club members had a great time participating in these events and I expect more members will want to experience them. They are listed in the calendar in the months of July, August, and September.

As always, we encourage all members to bring to us ideas to add to our events and activities, and we will take them from there.

As there are openings on the Activities Committee, I would like to have everyone consider joining the Activities Committee and getting involved in helping to develop ideas for destinations and roadways that are interesting, laying out routes to destinations, developing skills in leading cruises, and being part of the team.

Here's hoping that we see you join us on the next club activity!

That Poor Vette

This white C8 was pulled over in Mami Beach, for making too much noise, Not just its beautiful exhaust note, but rather, it was blasting music so loud it violated the noise ordinance .The driver said he was just going to back up a bit, and instead tried to blast off and run from the cops – clipping

the police cruiser in the process. He successfully got away – so he thought – but you can't outrun technology. His plates were picked up by a license plate reader on a highway & a regional alert went out, leading to the discovery of the vehicle & driver. He had stopped at a car wash to try to buff out the paint transfer from where he had hit the cruiser. The driver was taken to jail, but no word on the detailing job required for the Vette.

CORVETTE CRUISE NIGHTS

Forge and Vine 2026 GCCC Car Show

President: Kevin L. welcomed everyone to the June 10th meeting at Murphy's Taproom.

Membership Director: Dennis said there were many inquiries about membership from Corvette owners at our first cruise night.

Kevin and Larry thanked members for attending our first Corvette Cruise Night. They thanked everyone who helped make it a success. All went well and we look forward to the next one on Sunday, July 5th. All members are encouraged to attend if possible. Proceeds benefit the Nashua Soup Kitchen.

Secretary: Larry G. asked Allie to talk about the documents she created to help with communication and flow at Corvette Cruise Night. She presented the following:

- Tracking form to help with preparation for cruise nights.
- Combination registration/raffle entry form to streamline into one quick and easy process.
- 1-page program to communicate the sequence and times of the evening's events (trophy awards, 50/50 raffle) to be given to participants at registration.
- Suggestions for announcements to be made during the evening.

Sue suggested photography be added to the Tracking form. Kevin asked that the time of the trophy awards be added to the 1-page program.

The registration/raffle entry form and the 1-page program are created in a style and color to coordinate with the cruise night flyer.

Treasurer: Dean provided an overview of the club's finances. The treasurer's report will be forthcoming in an email.

Vice President/Activities Director: Larry G. was happy to announce Gate City Corvette Club, for the second year in a row, earned the distinction of Best Participation at the 2026 Bar Harbor Tour hosted by Vettes of Coastal Maine! Also, our own Larry and Heather S. were chosen as the celebrities (otherwise referred to as king and queen) of the event! Larry S. also won a prize for the scavenger hunt and many other GCCC members won prizes. The weekend theme was "safari" and members looked great at the banquet in their safari related attire.

Larry G. thanked everyone who participated in the trip to visit the USS Albacore in Portsmouth followed by lunch at the Red Blazer in Concord. Coming up next is the brunch at the Old Salt in Hampton on June 14th and Cruise Night at Forge and Vine in Groton, MA on June 17th. The summer picnic is on July 12th.

The fall trip to Freeport, Maine is September 18th - 21st. You may book your room at the Harraseeket Inn by clicking the convenient link on the flyer. There is a block of rooms reserved for members with a cutoff date of August 31st. While in Maine, we will make a side trip to the Owls Head Transportation Museum followed by lunch. New Hampshire Motor Speedway is once again offering Laps for Charity. Dates and pricing can be found on the NHMS website. Please see the schedule of activities and flyers in this newsletter for more information. Looking ahead, Kevin and Larry have been thinking about planning an extended trip to the National Corvette Museum in 2027.

NCM Ambassador: Larry G. announced the NCM will host tours of the Corvette plant beginning mid-July. Raffle and sweepstakes tickets may be purchased by completing an online form on the Museum website. Larry G. talked about the benefits of joining the Museum. Please let Larry know if you purchase Corvette raffle tickets or join or renew your museum membership.

Officer at Large: Norm W. reminded everyone about the summer picnic at Pembroke Memorial Park from 11:00 am to 4:00 pm on July 12th. The club supplies hamburgers and hotdogs (and bacon!) Members provide sides and desserts to share. Norm and Sue need a head count in advance to determine how much food to purchase for the picnic. Also, let them know the food item you plan to bring and if you will be caravanning with the group. Norm will lead a caravan from the Bonsai restaurant in Manchester or you may drive up yourself if more convenient. This is a rain or shine event as the picnic is under a covered pavilion that protects from hot sun or rain. There are also bathrooms available. Please see flyer in this newsletter for times and other details.

Georgia announced they are very close to providing an online store with Mavericks! Members will be able to purchase casual clothing embroidered with our club logo! You may also have your own items embroidered. Kevin showed a jacket he had purchased from the museum with our logo. More info to come!

The winner of the 50/50 raffle was Allie. The winner of the member raffle was not in attendance.

Corvette Racing at Le Mans: A fantastic four

DETROIT – Chevrolet and Corvette Racing will look to extend its run of success at the 24 Hours of Le Mans with four Chevrolet Corvette Z06 GT3.Rs that will contest the famed French endurance race on June 13-14.

The Corvette quartet at the twice-around-the-clock classic is the largest group of Corvettes at Le Mans in a decade, and all are under the Corvette Racing umbrella. The program has a stellar record at the race with nine class victories – the most recent coming in 2023. The GT3-spec Corvette finished third in class at Le Mans in 2025, its first podium in the race since its 2024 debut.

The Corvette lineup includes three cars from TF Sport – including its two FIA World Endurance Championship entries plus a third that will feature drivers and crew from Johor Motorsports Racing. The fourth Corvette is from 13 Autosport, which is back at Le Mans after winning a second consecutive Bob Akin Award in the 2025 IMSA season.

The lineup:

- No. 33 TF Sport Corvette Z06 GT3.R: Nicky Catsburg/Jonny Edgar/Ben Keating
- No. 34 Racing Team Turkey by TF Corvette Z06 GT3.R: Charlie Eastwood/Salih Yoluc/Peter Dempsey
- No. 2 TF Sport Corvette Z06 GT3.R: Ben Green/Lorcan Hanafin/HH Prince Jefri Ibrahim
- No. 13 13 Autosport Corvette Z06 GT3.R: Matt Bell/Orey Fidani/Lars Kern

TF Sport's No. 33 and No. 34 Corvettes hope to use a Le Mans victory or podium to propel up the FIA WEC LMGT3 championship standings. The 24 Hours is a double-points race, and success there usually bodes well. Every LMGT3 championship winner since 2021 has won in class at Le Mans.

Catsburg, Edgar and Blake McDonald – subbing for an injured Keating in the first two events – are fourth in points on the strength of a runner-up finish in the season-opening race at Imola. Meanwhile, the No. 34 trio finished ninth in the most recent race at Spa-Francorchamps to score its first championship points of the season.

The No. 2 TF Sport Corvette is the result of the team claiming the 2025 European Le Mans Series championship. Of the three drivers, only Hanafin has raced at Le Mans although his two teammates have extensive experience in the Corvette at races like the Spa 24 Hours and Bathurst 12 Hours, where they were Pro-Am runners-up in February.

13 Autosport placed 10th in its Le Mans debut a year ago. The striking Canadian red Corvette was an instant hit with fans, and the driver lineup is the same as in 2025

PUBLISHING & ADVERTISING

The next submission date is **July 20, 2026**

We invite you to share news about trips you've taken, shows you've attended, and ideas for future club activities. Technical tips, cleaning advice, and any other contributions you think fellow members would enjoy are always welcome. Your input truly helps keep our club strong and connected.

To be included in the next newsletter, please submit all reports, articles, notices, letters, photos, and advertisements by the 20th of each month. Thank you for your contributions—they are what keep our newsletter engaging, informative, and enjoyable for everyone.
